MAYO CLINIC

Scholarship Nomination Request for the

Mayo Clinic Interventional Cardiology Board Review

You and your trainees are invited to participate in a Scholarship Program designed to enhance preparation for the interventional cardiology boards.

Fellows are able to obtain a comprehensive view of a broad range of subjects by frequent interaction and discussion with their peers. One successful tactic to promote this interaction has been to identify a suitable fellow to be responsible for running frequent "board review" sessions with their peers.

We would like to support this concept by offering a scholarship to attend our ***Mayo Clinic Interventional Cardiology Board Review*** to three exceptional fellows. This three day course highlights interventional cardiology topics and information with practical application in studying for board certification in interventional cardiology. We are offering a scholarship program to outstanding fellows who are currently enrolled in an accredited interventional or cardiovascular fellowship program. The purpose of this program is to encourage a scholarship fellow to take this information back to their institution and conduct teaching and discussion sessions with his/her peers. The scholarship award includes the following:

- **Complimentary conference tuition**
- **Lodging accommodations from September 26 – 29, 2013**
- **DVD set of the 2012 course lectures**

For more information on this course, please visit http://www.mayo.edu/cme/cardiovascular-diseases-2013r014.

If you would be interested in submitting a scholarship application, please send a Letter of Recommendation (including the candidate's name and contact information) along with the other required materials:

Mayo Clinic – ICBR Scholarship Program **Fax: 507.538.0146**
ATTN: Ms. Deborah Feils **E-mail: feils.deborah@mayo.edu**
200 1st Street SW – Gonda 6-472
Rochester, MN 55905

Included in this letter should be information regarding current level of training and confirmation of plans to remain in an accredited cardiology fellowship program in 2013. The selection process will be based upon the qualities of:

- knowledge of cardiovascular diseases and interventional cardiology
- interest in education
- evidence of academic leadership

The deadline for receipt of the letter/application is **July 1, 2013**.

We look forward to reviewing your application.

Sincerely,

Course Directors
Gregory Barsness, M.D.
Malcolm Bell, M.B., B.S.
Paul Sorajja, M.D.
