Assistant Professor of Psychiatry

Interests

Suicide, smoking in psychiatric illness, mortality and morbidity in psychiatric illness, public policy.

Dr. Lineberry joined the Mayo Clinic Department of Psychiatry and Psychology in 2003 after serving twelve years in the Air Force. During his time in the Air Force, Dr. Lineberry served in Texas, Alabama, and Germany in outpatient mental health and substance abuse positions as well as chief of the medical staff. He is now the chair of the Inpatient Psychiatry Division and serves as Medical Director of Mayo's psychiatric hospital. His interests are suicide, smoking in psychiatric illness, mortality and morbidity in psychiatric illness, and public policy as it relates to psychiatry.

He has been previously recognized by the Mayo psychiatric residency as Teacher of the Year. An active clinician first and foremost, he is the primary staff psychiatrist on the acute inpatient resident teaching service and is the Psychopathology course director for Mayo Medical School.

Dr. Lineberry is an active author, publishing articles in peer review publications such as Schizophrenia Research, Psychosomatics, Mayo Clinic Proceedings, and Psycho-Oncology. Dr. Lineberry is currently serving as the Secretary of the American Association of Suicidology and is also a Fellow in the Alcohol Medical Scholars Program.
