

TUTORIALS IN ECHOCARDIOGRAPHY

New Series

c/o June Hammell – Plummer 115
200 First Street SW
Rochester, MN 55905

The Mayo Cardiovascular Ultrasound Imaging and Hemodynamic Laboratory is pleased to announce the release of select educational materials on echocardiography. These lectures are intended to provide information and education for the physician and sonographer in the field of echocardiography. This series offers the opportunity to continually educate personnel on the changes and improvements taking place in echocardiography.
