

CHALLENGING STROKE CASE ABSTRACTS

Overview: As part of the **2014 Stroke and Cerebrovascular Disease Review** course, a poster session for presentation of original research dedicated to the field of Neurology will be held. **Challenging Stroke Cases** are welcome. These may include challenging stroke cases (ie., case reports) of those encountered in clinical practice. The conference will also review stroke randomized trials, outcome studies, potential practice innovations, stroke monitoring, and stroke center systems-based practice innovation or improvements. Posters will be chosen from all abstracts received by the **Monday, July 14, 2014**, submission deadline.

Abstract Eligibility: Original abstracts that either have or have not been presented at other meetings will be considered for the conference. Abstracts based upon published papers based on stroke will also be considered.

Research Competition: Outstanding abstracts will be selected for poster presentations at the 2014 Stroke and Cerebrovascular Disease Review course.

Number of Entries: A participant may be the primary author on no more than two abstracts; however, he or she may be a contributing author on any number of abstracts.

Deadline: Abstract submission deadline is **Monday, July 14, 2014**.

Notification of Results: Accepted abstracts will be notified by email. All primary authors will be notified by email no later than **Friday July 25, 2014**, if their submission has been selected for the poster session, and details regarding poster set-up will follow. Accepted abstract recipients must still register for the meeting to attend.

Printing of Abstracts: Abstracts chosen for presentation will be printed in the course syllabus.
