Saint Marys School of Nursing

Summer, 2008

COMMENTS FROM THE PRESIDENT

Greetings to all Alumni,

The year 2007 was a fairly quiet one in terms of Saint Marys School of Nursing Alumni activities. The 2007 reunion was successful with 154 graduates returning from the classes of 47, 52, 57, 62, and 67. Many of the returning alumni had participated in the Centennial Celebration in 2006. Catherine Ashpole Lacy represented the 50 year class of 1957 and recited the "Day God Created a Nurse" which she wrote as a student. Sister Generose Gervais presented information on the Poverella Fund.

The work in the Memorabilia Room slowed this past year as many people spend winter these days South. A good thing this past winter as we had a cold and snowy season. It continues to be our goal to update the Memorabilia Room preserving the letters, photos, text books, and other items of interest. The proceeds from Sincere et Constanter benefit this project.

I receive emails with Alumni offering their old text books. Unless the books are prior to 1930, you can toss them. We are interested in any correspondence you might have had with any of the Sister in the form of handwritten notes or letters. Thank you for thinking of the Alumni.

The recognition project of the student nurse is at a standstill. We met last fall and were informed that Mayo would not allow a statue on Saint Marys Hospital grounds. Instead we could consider other forms of recognition. The committee discussed an etched glass globe with our nursing pin. This would be placed in the corridor of the hospital near the old taxi entrance and the hospital's memorabilia location. We have not heard anything since this last meeting. We will continue to pursue this recognition and keep you informed to our progress.

I'm traveling still and this past year found me back in United Arab Emirates following our Reunion. Also visited Budapest again, Croatia, Georgia, and Bulgaria. These countries are still war torn struggling to maintain their democracy. This June found me on a 16 day river cruise of Russia. The first country I have visited that so few people speak English. Glad to be home once again. I usually travel alone so if any of you are looking for a traveling companion just let me know. My suitcase is always ready.

This year's Reunion will be celebrating the Classes of 1948, 1953, 1958, 1963, and 1968. If any assistance is needed for addresses of classmates or other information please contact me as I'm happy to assist in anyway I can.

Sister Mary Brigh loved poetry and throughout her lifetime she wrote some of her own. Sister's poetry is now in book form and is available for the Alumni to purchase. This information is located in the newsletter. The book will also be available for purchase at the Reunion this Fall.

Thanks to all of you who email and send notes with greetings or information regarding classmates. The address changes are much appreciated, keep them coming.

A safe journey to those traveling to the Fall Reunion. May your lives be filled with blessings of good health, family, and friends.

Sincerely,
Monica Mellem Van Kirk '59

ANNUAL MEETING MINUTES

The general meeting of Saint Marys School of Nursing Alumni Association was called to order by president Monica Van Kirk at the annual alumni banquet. The minutes of the 2006 annual meeting were read with one correction noted. It should read a "commemorative memorial", not statue. The minutes of the Board meeting of September 6, 2007 were read and approved. Virginia Simons Wentzel '59 gave the treasurer's report in the absence of treasurer, Mary Kennedy Price. As of September 2007:

Vanguard	300.90 shares	\$9,135.11

Sincere et Constanter Account		\$5,246.22

New Business

Election of Officers-Nominations were asked from the floor for President, Vice-President, secretary and treasurer. There were none. The present board has agreed to serve: President-Monica Mellem Van Kirk '59, Vice-president-Brenda Rizzo Rossman '67, Secretary-Virginia Simons Wentzel '59, and Treasurer-Mary Kennedy Price '66.

Old Business

Virginia Wentzel '59 commented on the book Sincere et Constanter, The Story of Saint Marys School of Nursing. The proceeds of the book will be used to update the Memorabilia Room in Marian Hall.

Monica gave a report on how the proceeds of the banquet are spent: The celebrating 50 year class receive complementary lunch and banquet. We also purchase corsages for the 50 year class. Flowers (a red and white rose) representing deceased and living members are used at the Sunday Mass as part of the offertory gifts. The Sunday Farewell Coffee is absorbed by the Alumni

Association. In addition we request funds from the Mayo Clinic to assist in covering the cost of the reunion. Past years the Clinic has contributed \$3,500. The Clinic contributed \$35,000 for our 2006 celebration. This money was used for The Friday night Gonda event (except for the wine), all printed materials, banners, totes, and pens. The income from reservations for 2006 was \$55,447 which paid for the banquet, 50 years class lunch and banquet, wine at the Friday night event, Sunday morning brunch, musicians, tiles, tour buses, History Center of Olmsted County, CD of the Triple Trio, class photos, newsletter printing and postage.

We hope to continue the annual reunion until the Class of 1970 celebrates their 50th which will be in 2020.

Each year we have several hundred newsletters returned for which we pay a fee. This is becoming quite costly. Please add the Alumni to your new address change.

Last year a letter was sent to the Mayo Clinic suggesting that some type of commemorative be placed in Saint Marys Hospital in recognition of SMSN. There has been one meeting in response to the request. This committee consists of Monica Van Kirk, Brenda Rossman, Virginia Wetzel, Marilyn Fryer from the Alumni, Jane Champion, Karen Skiba (MMC Alumni Office) and one person from the Clinics Art and Design Dept. We have already been informed it will not be a statue of a student nurse in the Edith Graham Courtyard but would be placed within the hospital. We know with the Mayo Clinic's input it would be first rate and in good taste. The Clinic would fund this project.

There were many comments from the Alumni:

- would there be a Mayo Clinic without the nuns?
 - a statue of SMSN student nurse is still appropriate
 - Presbyterian Hospital In Philadelphia erected a statue of an original student nurse in uniform
 - it was felt that if we have a 2300 mailing list we should have some leverage
 - Sister Joseph Endowment Fund is for education, not to be used for something like this although many of us contributed to the fund
 - it is the consensus of those present that we pursue this vigorously
- Adjournment

Respectfully submitted,
Virginia Simons Wentzel '59 Secretary

SPECIAL FRIENDS

Sister Lucas Chavez died June 3, 2008. Sister Lucas was head of housekeeping at Saint Marys Hospital until 1975.

MEDICAL MISSION

Six Saint Marys School of Nursing Alumni took part in a VIMM "Dream Team" offering medical and psychological assistance to residents of Los Amigos in Chimbote, Peru. Father Jack Davis from North Dakota has had a compound in this poor community for over 30 years. Marilyn Anderson Spensley, Joan Ratchford Modjeski, Kathy Rettner Pieper, Murtice Robinson Sherek, Dorothy Graham Brama '67, and Sharon Heimer Asmus utilized their various nursing skills to make lives just a little bit easier/better in an area that has so little. No running water, no sanitation, and barely enough money to put food on the table. Yet they are some of the warmest and happiest people our Alumni have met. This class of 1961 has been close over the years and to have the opportunity to do this mission was an opportunity they didn't want to miss. They gave back in one small way to the larger world. Murt has made 14 medical missions and Murt's classmates said "Murt led and we followed". The group worked together to ease suffering, spread the gospel and spread American goodwill. The Alumni paid their own expenses. Wasn't all work, as they enjoyed trips to Macchu Picchu (Amazon). Kathy Rettner Pieper and Dorothy Graham Brama '67 are heading back to Chimbote in February.

The Class of 1961 are the ladies who entertained us with the student nurse style show during the Centennial celebration. We are proud of you.

SISTER MARY BRIGH'S BOOK

A compilation of poetry, Gifts of her Spirit, written by Sister Mary Brigh Cassidy, administrator of Saint Marys Hospital from 1949 to 1971 has recently been published. A strong administrator with significant business acumen, Sister Mary Brigh had a quiet and reflective side illustrated in the poetry she wrote throughout her lifetime.

A sampling of this multi-dimensioned women's poetry has been selected for publication by Sister Lauren Weinandt, and Jane Champion.

Included in the book are early photos of Sister Mary Brigh and a brief biography describing her journey from her home in Eyota, Minnesota (including her place on the Eyota High School girls basketball team) to nursing school in Rochester to completion of an MBA from the University of Chicago to her service at Saint Marys Hospital.

The book will be available at the Fall Reunion and by mail. Send payment of \$21.30 plus \$4 postage and handling to:
