Update 2007: Heart Failure and Transplantation

October 6, 2007
Hyatt Hotel
Minneapolis, MN
Course Description
Heart failure is the only form of cardiovascular disease that is growing in prevalence. With the aging of the population, the need for physicians and nurses competent in the treatment of congestive heart failure and those patients who continue on to heart transplantation, grows at a rapid pace. This course will provide attendees with the basics as well as cutting edge techniques for diagnosis, treatment modalities, and follow-up of patients with heart failure.

Course Learning Objectives
Upon conclusion of this program, participants should be able to:

• Distinguish between differing forms of heart failure
• Formulate a comprehensive treatment plan for heart failure
• Analyze new therapies for treating heart failure
• Identify appropriate immunosuppression and treatment protocols for transplant patients
• Explain the use of devices in heart failure

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Intended Audience
General Internal Medicine Physicians, Cardiologists, Nurse Practitioners and Coordinators, Physician Assistants, and related allied health personnel.

Credit
Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this educational activity for a maximum of 7.5 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Mayo Department of Nursing, Education, and Professional Development Division is accredited as a provider of continuing nursing education by the American Board of Transplant Certification. 7.5 CEPT Contact Hours will be available to those who apply for them.

A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Educational Grants
This course is supported, in part, by educational grants in accordance with ACCME Standards.

At the time of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the time of the meeting.

Exhibits will be available for viewing at all scheduled breaks.
Date and Location

The Update 2007: Heart Failure and Transplantation will be held on October 6, 2007. The Course will be held at the beautiful Hyatt Regency Hotel on the Nicollet Mall in downtown Minneapolis, MN.

Registration

The attached registration form should be completed and returned by mail or fax to the address on the form. The registration fee includes tuition, comprehensive course syllabus, meals, and social event on Friday evening, October 5th.

Although it is not Mayo School of CME policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is advised. A letter of confirmation will be sent upon receipt of payment and completed registration form. Please present the confirmation letter when checking in at the meeting registration desk.

Lodging

Accommodations

Guest rooms have been reserved for attendees and their guests with special course rates at the Hyatt Hotel. Please fill out the attached form and mail or fax it to the address at the bottom of the form. Rooms can be canceled without charge up to 72-hours prior to the conference.

Lodging arrangements are the sole responsibility of the individual registrant.

Travel

Minneapolis, Minnesota, is easily accessible by land or air travel. While in Minneapolis, light rail and public transportation are readily available.

Parking

Parking is available in hotel and city ramps and is the responsibility of the conference attendee.

Social Programs

All conference attendees and guest(s) are invited to join the course faculty on a 3-hour Riverboat Cruise on the beautiful Mississippi River on Friday evening. Boarding begins at 7:00 and the boat leaves the levee at 7:30. Dinner will be served on-board.

The City of Minneapolis will be hosting the Twin Cities Marathon on Sunday, October 7th. The race starts on the Mall, not far from the front doors of the Hyatt. Conference attendees are encouraged to stay an extra day and join in the festivities. If you are interested in running, please refer to the website below: http://www.mtcmarathon.org/index.cfm?
General Information

Cancellation Policy

If you cancel your participation in this course, your registration fee, less a $25 administrative fee, will be refunded when written notification is received by the Course Planners more than 14 days prior to the start of the course. Refunds after that time will be at the discretion of the course directors.

Mayo School of CME reserves the right to cancel or postpone any course due to unforeseen circumstances. In the unlikely event Mayo School of CME must cancel or postpone this course, Mayo School of CME will refund the registration fee, but is not responsible for any related costs, charges, or expenses to participants, including fees assessed by airline/travel/lodging agencies.

Faculty Disclosure

As a provider accredited by ACCME, Mayo Clinic College of Medicine (Mayo School of CME) must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course director(s), planning committee, faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of this information will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.
