

Mayo Clinic Health System is proud of our support of local not-for-profit organizations. All organizations requesting a grant must complete a Hometown Health Grant.

Groups and organizations within our communities and surrounding areas are eligible for such donations, and all requests should meet at least one of the following criteria:

- Enhancing general health and wellness
- Community health education

In addition, there are a number of grants that are not permitted under our policy, including:

- Any organization that does not provide equal access or who discriminates on the basis of age, gender, race, religious affiliation, sexual preference or disability
- Endowment funds
- Religious organizations requesting contributions for sole benefit of their group or congregation or for purposes of soliciting new members
- For-profit organizations
- Individuals

All requests will be reviewed within 90 days of receiving them.

Grant requests are received on an on-going basis. If you have any questions, please contact Community Relations at 507-594-7416.

Thank you for your interest.
