2017 DIABETES NURSING CONFERENCE

Thursday, March 2, 2017
Mayo Clinic, Siebens Building, Rochester, Minnesota

Conference Description: Diabetes affects a growing number of individuals nationwide. Nurses and other care providers interact with individuals with diabetes across all healthcare settings. This conference is designed to help prepare healthcare providers to respond to various day to day challenges that may arise in caring for individuals with diabetes. Information presented during the conference is intended to provide material on new medications, therapies, and technologies available, as well as discuss important care transitions in working with specific populations.

Intended Audience: This conference is designed for certified diabetes educators, nurses in all specialties, and all other healthcare professionals interested in the care of patients with diabetes.

Continuing Education Credit: Mayo Continuing Nursing Education is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

Participants can earn up to 6.75 ANCC nursing contact hours for attendance at the conference, commensurate with the extent of their participation in the activity and completion of the evaluation.
