General Information

The *Nineteenth Annual Nursing Research Conference* will be held on Thursday, March 4, 2010 at Mayo Clinic, Rochester, Minnesota. This conference is designed for dissemination of research related to healthcare delivery and policy. Research related to innovative healthcare delivery strategies that might have policy and cost implications and involve nurses and interdisciplinary teams are of particular interest. Original research, as well as application of research findings to real world settings, are welcome.

Who Should Submit

Registered nurses and other healthcare professionals involved in shaping healthcare delivery and policy in this era of healthcare reform are invited to submit abstracts for papers and/or posters.

Paper Presentations

Abstracts for paper presentations are being sought for **completed research** related to the conference theme.

Poster Presentations

Abstracts for poster presentations are being sought for **ongoing or completed research** related to the conference theme.

To submit an abstract, visit www.mayoclinic.org/jobs-nursing-rst/abstracts.html. Be sure to attach all authors' curriculum vitae. **Completed abstracts must be submitted by Wednesday, July 8, 2009.**

Questions regarding the conference and abstract process may be directed to Mayo Continuing Nursing Education at 800-545-0357 or 507-266-1007, fax 507-266-6910, or e-mail cne@mayo.edu. Visit our website at www.mayoclinic.org/jobs-nursing-rst/cne.html for more information.

Fees

All paper and poster presenters must register for the conference. Conference presenters are expected to assume costs related to travel, accommodations, and registration.

Selection and Notification

Blinded abstracts will be peer reviewed using the following criteria: scientific merit, practice applicability, and a clearly written abstract reflecting conference themes.

Notification of accepted abstracts and commitment for presentation at the conference will be made by Friday, August 14, 2009.

General Information

About Mayo

Mayo Clinic is the first and largest integrated, not-for-profit group practice in the world. Doctors and nurses from every medical specialty work together to care for patients, joined by common systems and a philosophy of "the needs of the patient come first." More than 2,500 physicians and scientists and 42,000 allied health staff work at Mayo Clinic, which has sites in Rochester, Minnesota, Jacksonville, Florida, and Scottsdale/Phoenix, Arizona.

Mayo is committed to advancing the knowledge and skills of healthcare professionals. **Mayo Continuing Nursing Education** conducts educational conferences that will advance nursing practice.

Mayo Continuing Nursing Education is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
