Department of Medicine
Division of Gastroenterology and Hepatology

Advances in Gastroenterology and Hepatology

June 11-12, 2004
Saint Paul Hotel
Saint Paul, Minnesota

Course Director:
Stephen C. Hauser, M.D.

Co-Directors:
David J. Brandhagen, M.D.
Darrell S. Pardi, M.D.
Course Description

Advances in Gastroenterology and Hepatology is designed as an Update Course to provide information regarding new procedures, new technology, novel applications of existing medications and treatment strategies for patients with selected gastroenterologic and hepatologic conditions.

Course Learning Objectives

1) Diagnose, screen, prevent and treat Barrett's esophagus.
2) Identify early esophageal adenocarcinoma.
3) Assess patients and families at risk for familial colon cancer syndromes.
4) Develop a practical approach to dyspepsia, irritable bowel syndrome, constipation, viral hepatitis and fatty liver disorders.
5) Formulate diagnostic and treatment algorithms for GI bleeding, inflammatory bowel disease, celiac disease and structural disorders of the pancreaticobiliary tree.

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Intended Audience

This course is intended for physicians, nurses, and other health care providers caring for patients with gastroenterologic and hepatologic conditions.

Credit

Mayo Foundation is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Foundation designates this educational activity for a maximum of 11.25 category 1 credits toward the AMA Physician’s Recognition Award. Each physician should claim only those credits he/she actually spent in the activity.

The American Medical Association has determined that non-US licensed physicians who participate in this CME activity are eligible for AMA PRA category 1 credit.

Other health care professionals will be provided a certificate of attendance for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Educational Grants

This course is supported in part by educational grants from TAP Pharmaceuticals, in accordance with ACCME Standards.

Date and Location

The Advances in Gastroenterology and Hepatology course will be held June 11-12, 2004. Course headquarters will be located at the Saint Paul Hotel, Saint Paul, Minnesota.

Registration

To register, complete the attached registration form and return by mail or fax (if you register by fax, registration will not be confirmed until payment is received). The registration fee includes tuition, comprehensive course syllabus, continental breakfasts, a buffet lunch, break refreshments, and a reception. Although it is not Gastroenterology and Hepatology Department policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is strongly advised. A letter of confirmation will be sent upon receipt of payment and completed registration form. Please present the confirmation letter when checking in at the meeting registration desk.
Cancellation Policy

Your registration fee, less a $50 administrative fee, will be refunded when written notification is received by the Department of Gastroenterology and Hepatology before May 28, 2004 (fax#: 507-284-5486). No refunds will be made after May 28, 2004.

Travel

Northwest Airline is the official carrier for this Mayo course. Reduced airfares are available for participants by calling Northwest Airline at 1-800-328-2216 or the designated travel agency, Corporate Travel (ask for Lynn) at 507/287-7468 or 800/526-4540 or e-mail at lynn@ctsrst.com. Please reference this course under World File NM32E. Corporate Travel can also assist you with ground transportation.

Lodging Accommodations

Blocks of guestrooms have been reserved with special course rates at the Saint Paul Hotel (651-292-9292 or 800-292-9292). To ensure accommodations and the discounted rate, please make your reservations by May 19, 2004, and identify yourself as a participant of the Advances in Gastroenterology and Hepatology course.

Social Programs

Reception - June 11, 2004 - 5:00 p.m.
Attendees and their guest(s) are cordially invited to join the course faculty for a reception. This casual reception welcomes you to Saint Paul, and offers you the perfect opportunity to make connections with existing and new colleagues. Pre-registration is requested.

Faculty Disclosure

As a provider accredited by ACCME, Mayo Foundation must ensure balance, independence, objectivity and scientific rigor in its educational activities. All faculty participating in a Mayo Foundation activity are required to disclose commitments to and/or relationships with pharmaceutical companies, biomedical device manufacturers or distributors, or others whose products or services may be considered to be related to the subject matter of the educational activity. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these commitments and/or relationships will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.
**Friday, June 11, 2004**

7:00 a.m.  Continental Breakfast
8:00 a.m.  Introduction
8:10 a.m.  Case Study: GERD – Dr. Darrell Pardi
8:15 a.m.  Case Discussion: Novel Endoscopic Therapy for Complicated/Refractory GERD – Dr. Elizabeth Rajan
8:45 a.m.  Case Study: Barrett’s Esophagus – Dr. Darrell Pardi
8:50 a.m.  Case Discussion: Prevention and Evolving Therapies for Barrett’s Esophagus and Early Esophageal Adenocarcinoma – Dr. Kenneth Wang
9:20 a.m.  Panel Discussion: GERD, Barrett’s Esophagus and Early Esophageal Adenocarcinoma – Dr. Kenneth Wang, Dr. Elizabeth Rajan
9:40 a.m.  Audience Question and Answer
10:00 a.m. Refreshment Break
10:15 a.m. Case Study: Dyspepsia – Dr. Darrell Pardi
10:20 a.m. Case Discussion: The Emerging Pathogenesis of Dyspepsia and New Treatment Opportunities – Dr. G. Richard Locke III
10:50 a.m. Case Study: Constipation – Dr. Darrell Pardi
10:55 a.m. Case Discussion: What’s New in Constipation – Dr. Adil Bharucha
11:25 a.m. Panel Discussion: Dyspepsia, IBS, Constipation and Dysmotility – Dr. G. Richard Locke III, Dr. Adil Bharucha
11:40 a.m. Audience Question and Answer
12:00 p.m. Lunch Break
1:10 p.m.  Case Study: Colon Cancer – Dr. Stephen Hauser
1:15 p.m.  Case Discussion: Colon Cancer Screening – Dr. Paul Limburg
1:45 p.m.  Case Study: Family Cancer Syndrome – Dr. Stephen Hauser
1:50 p.m.  Case Discussion: A Practical Approach to Screening and Prevention of Familial Colon Cancer Syndromes – Dr. Lisa Boardman
2:20 p.m.  Panel Discussion: Colon Cancer: Prevention, Screening, Genetics, and Treatment – Dr. Paul Limburg, Dr. Lisa Boardman
3:00 p.m.  Audience Question and Answer
3:30 p.m.  Refreshment Break
3:15 p.m.  Case Study: Hepatitis – Dr. David Brandhagen
3:20 p.m.  Case Discussion: Treatment Algorithms for Hepatitis B and C – Dr. John Poterucha
3:50 p.m.  Case Study: NAFLD – Dr. David Brandhagen
