Mayo Clinic, Rochester, Minnesota

Moderator
Steven R. Ytterberg, MD
Consultant, Division of Rheumatology and Department of Internal Medicine
Associate Professor of Medicine, Mayo Medical School
Mayo Clinic, Rochester, Minnesota

Overview
Rheumatic diseases in children span a spectrum from acute self-limited musculoskeletal problems to complex multi-system illnesses that can be life-threatening. This program will use a case-based approach to address several specific pediatric rheumatic disease problems. Septic arthritis in children can have life-long debilitating effects; recognition and prompt management of it will be discussed. Strategies for dealing with inflammatory forms of arthritis, including juvenile rheumatoid arthritis (JRA) and spondyloarthropathies, will be discussed. An approach to the differential diagnosis of connective tissue disorders in children will also be covered.

Learning Objectives
Upon completion of this program, participants should be able to:
• Recognize and initiate therapy for septic arthritis in children.
• Discuss treatment and monitoring of JRA.
• Differentiate inflammatory from non-inflammatory back pain in an adolescent.
• Formulate a differential diagnosis for a teenager with Raynaud’s phenomenon.

Who Should Attend
This conference is appropriate for clinicians, pathologists, medical technologists, nurses, and other allied-health staff.
Accreditation

Mayo Foundation is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Mayo Foundation designates this educational activity for a maximum of 1 category 1 credit toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the educational activity.

Mayo Reference Services is an approved provider of continuing education programs in the clinical laboratory sciences through the ASCLS P.A.C.E.® program, State of California, and State of Florida credit. The level of instruction for this program is intermediate.

Interactive Program

This is an interactive program. You may call (800-362-8351/507-284-2948) or fax (507-284-1074) in your questions during the program.

You may also e-mail or fax your questions prior to the program to: stanley1.nancy@mayo.edu or (fax) 507-284-4542. A fax cover sheet will be included in your site confirmation packet.

Jacksonville Broadcast Site Information

If attending in Jacksonville, Florida, location is Walker Auditorium. Please contact Linda DiSalvo at 904-953-7114 to register.
