COURSE DESCRIPTION
The purpose of the meeting is to present state-of-the-art knowledge in cardiology with a clinically-based approach. The scope of the program is broad and will cover a wide spectrum of Cardiovascular Medicine but generally focused on prevention of coronary disease, stroke and sudden death. Expert faculty will present practical clinical approaches to diagnostics and latest management strategies of challenging and controversial topics in cardiology.

COURSE LEARNING OBJECTIVES
• Identify basic and advanced screening strategies to identify CVD risk in clinical practice
• Select evidence-based lifestyle and medication management strategies to manage CVD risk factors
• Recognize indications for and impact of medication and surgical management of obesity
• Cite the critical steps in management of patients with known CVD, including CAD, heart failure, atrial fibrillation, stroke, valvular heart disease, thromboembolic events
• Recognize effective methods to identify and manage CVD risk in younger and older athletes

INTENDED AUDIENCE
This course is intended for healthcare professionals in practice or in training who are interested in preventive cardiology. This may include physicians, nurse practitioners, physician assistants, nurses, exercise specialists, dieticians, health coaches, and others.

**Prior to Tuesday, December 26:**
- $875 Course Registration (MD, PhD, DO, PharmD)
- $525 Course Registration (Fellows in Training, PA, NP, RN)

**After Tuesday, December 26:**
- $975 Course Registration (MD, PhD, DO, PharmD)
- $625 Course Registration (Fellows in Training, PA, NP, RN)

**ACCREDITATION**
Mayo Clinic College of Medicine and Science is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 20.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 20.5 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

**Other Health Care Professionals** – A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Attendees should ensure in advance that their credentialing or licensing organization accepts *AMA PRA Category 1 Credits™* from the sponsor of this activity.
