CALL FOR ABSTRACTS!
Submission Deadline
January 1, 2017

2017 MAYO CLINIC
VASCULAR SYMPOSIUM
PRESENTED BY GONDA VASCULAR CENTER AND THE DEPARTMENT OF CARDIOVASCULAR DISEASES

ARIZONA GRAND RESORT & SPA
PHOENIX, ARIZONA
MARCH 30 – APRIL 1, 2017

COURSE DIRECTORS:
RAYMOND C. SHIELDS, M.D. / HARALDUR BJARNASON, M.D.
GUSTAVO S. ODERICH, M.D. / GREGORY BARSNESS, M.D.
COURSE LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

• Review the latest issues in acute aortic syndrome diagnosis and management.
• Identify updated best practice approaches to acute and chronic aortic dissection.
• Outline endovascular approaches and techniques and techniques for management of aortic disease.
• Discuss the controversies in carotid, mesenteric and renal artery disease evaluation and management.
• Define recent advances in non-invasive vascular laboratory evaluation.
• Review current surgical and endovascular strategies for peripheral vascular disease management and expected outcomes.
• Integrate approaches to peripheral arterial disease risk factor management.
• Describe the latest developments in peripheral vein ablation and sclerotherapy.
• Outline the emerging options for venous thromboembolic disease evaluation and management.
• Describe the updated recommendations for stroke management.
• Contrast the latest developments in vascular imaging.
• Discuss management options of complex vascular access issues and endovascular complications.

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE

This conference is expected to attract North American and international vascular disease specialists in addition to advance practice, nurses, allied health, and other healthcare professionals with an interest in peripheral vascular disease.

CREDIT

Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Mayo Clinic College of Medicine designates this live activity for a maximum of 21 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 21 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

OTHER HEALTH CARE PROFESSIONALS

A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.
The purpose of this conference is to not only provide an overview of the **CURRENT ISSUES** in peripheral vascular disease but to step into the future of peripheral vascular disease evaluation and management with sessions on the application of genomics and robotics. Through didactic and interactive sessions, this conference will highlight the **MULTIDISCIPLINARY APPROACH** to peripheral vascular disease including: vascular surgery, vascular medicine, interventional radiology, cardiology, and other specialists at Mayo Clinic. **ORAL ABSTRACT PRESENTATIONS** and **WORKSHOPS** will be of interest to various vascular specialists and trainees.

**ONLINE REGISTRATION AVAILABLE AT** [cveducation.mayo.edu](http://cveducation.mayo.edu)

**E-mail** cvcme@mayo.edu  
**Phone** 800-283-6296
