CARDIOLOGY AT CANCÚN
Topics in clinical cardiology

CANCÚN, MEXICO
MARRIOTT CASAMAGNA
FEBRUARY 19–23, 2018

PRE-REGISTRATION: SUNDAY, FEBRUARY 18, 2018 FROM 5:00-6:00 P.M.
COURSE DESCRIPTION
The purpose of the meeting is to present practical state-of-the-art knowledge in cardiovascular diagnosis and therapy. The scope of the program is comprehensive and will cover prevention, ischemic heart disease, heart failure, valvular heart disease, and heart rhythm disorders. Expert faculty will present evidence-based and practical clinical approaches to diagnosis and treatment.

COURSE LEARNING OBJECTIVES
• Use clinical and laboratory parameters to assess CV risk
• Describe risk reduction strategies – lifestyle modifications and medications
• Apply skills in lipid and hypertension management
• Describe the latest diagnostic and management strategies in heart failure
• Assess optimal patient selection for advanced therapies in severe heart failure
• Summarize state-of-the-art practical approach to the management of complex coronary disease
• Cite best practices for the management of patients with atrial fibrillation and ventricular arrhythmias
• Summarize the newer concepts of management of heart failure, cardiomyopathies, and valvular disease

INTENDED AUDIENCE
Cardiovascular Specialists, Cardiac Surgeons, Cardiovascular Fellows, and Internists with interest in clinical cardiology. In addition, the course will be of value for Nurse Practitioners, Physician Assistants, and Registered Nurses who practice in the field of Cardiology.

LODGING ACCOMMODATIONS

## ACCREDITATION

Mayo Clinic College of Medicine and Science is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 25.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 25.75 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

**Other Health Care Professionals** – A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Attendees should ensure in advance that their credentialing or licensing organization accepts AMA PRA Category 1 Credits™ from the sponsor of this activity.
