

NEURORADIOLOGY: *Practice to Innovation*

November 9-14, 2008
Fairmont Kea Lani
Maui, Hawaii

Course Description – *Neuroradiology: Practice to Innovation* is designed for the practicing radiologist whose work involves neuroradiology, or those involved in the neurological sciences, neurosurgery, neurology, and / or related fields. It is intended to provide a practical discussion and review of common diseases involving the brain, head / neck, and spine. It will provide an overview of common imaging strategies and incorporate evolving new modalities. Also, this course will review common endovascular and spinal interventional techniques utilized in neuroradiology.

Location – Wailea is a resort community nestled at the base of the Haleakala and distinguished by five beautiful, crescent shaped beaches. The weather in Wailea is just about perfect for outdoor activities with long sunny days and clear, starry nights. There are over 54 holes of golf, award winning beaches, and great snorkeling too.
