Department of Radiology
Minnesota Breast Imaging Review Course

September 26-27, 2015
Radisson Blu Mall of America
Bloomington, Minnesota

This course is provided in collaboration with the University of Minnesota

Register Online Today!
c.e.mayo.edu/radiology
Course Description
The *Minnesota Breast Imaging Review Course* is a postgraduate medical course that provides radiologists with up-to-date information on the diagnosis and treatment of breast disease. Didactic lectures include information on generally accepted practices, as well as new trends and emerging techniques in breast imaging. A collegial learning environment is provided during question/answer sessions and conference breaks where attendees and faculty have an opportunity to interact and share their knowledge.

Course Learning Objectives
Upon conclusion of this program, participants should be able to:
• Discuss the management of high risk lesions found at core needle biopsy
• Describe the importance of breast arterial calcifications
• Utilize breast imaging to predict response to neoadjuvant chemotherapy
• Discuss the use of screening mammography in women ages 40-49
• Review the changes in the 5th edition of BI-RADS

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Intended Audience
The *Minnesota Breast Imaging Review Course* is a postgraduate course designed to update the breast imaging radiologist on generally accepted imaging practices, as well as new trends and emerging techniques in breast imaging.

Credit
Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Health Care Professionals
A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Self-Assessment Modules (SAMs)
Attendees will have an opportunity to participate in two self-assessment modules (SAMs) during the course. The self-assessment modules have been designed to meet the standards of the American Board of Radiology (ABR).

Grants and Exhibits
At the time of this printing, a complete listing of commercial supporters (financial or in-kind) was not available. Appropriate acknowledgment will be given to all supporters at the time of the meeting.
Date and Location

The Minnesota Breast Imaging Review Course will be held September 26-27, 2015. Meeting headquarters will be located at the Radisson Blu Mall of America located in Bloomington, Minnesota. Radisson Blu is conveniently located in the center of the Twin Cities and is connected to the Mall of America. Guests will enjoy premier amenities including world-class shopping, dining, and entertainment.

Registration

To register online, visit ce.mayo.edu/radiology or complete the attached registration form and return by mail or fax to 507-266-3061.

The course registration fee includes:
- Course Tuition
- 2 American Board of Radiology Self-Assessment Modules (SAMs)
- Comprehensive Course Syllabus on Flash Drive
- Radiology CME Mobile Application
- Continental Breakfasts, Break Refreshments, and Lunch on Saturday (meeting participants only)

Although it is not Department of Radiology CME policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is advised. A letter of confirmation will be sent upon receipt of payment and completed registration form. Please present the confirmation letter when checking in at the meeting registration desk.

**GENERAL INFORMATION**

**Cancellation Policy**

If you cancel your participation in this course, your registration fee, less a $75 administrative fee, will be refunded when written notification is received by the Department of Radiology CME Office before **September 12, 2015** (radiologycme@mayo.edu or fax#: 507-266-3061). **No refunds will be made on or after September 12, 2015.** Canceled registrations are non-transferable.

Mayo Clinic Department of Radiology CME Office and/or Mayo School of CPD reserve the right to cancel or postpone any course due to unforeseen circumstances. In the unlikely event Mayo Clinic Department of Radiology CME Office and/or Mayo School of CPD must cancel or postpone this course, Mayo Clinic Department of Radiology CME Office will refund the registration fee, but is not responsible for any related costs, charges, or expenses to participants, including fees assessed by airline/travel/lodging agencies.

**Travel**

There are several transportation options available to and from the Minneapolis-St. Paul International Airport (MSP) which is located less than five miles from the Radisson Blu Mall of America. The hotel offers complimentary shuttle service on a first come first serve basis to and from the airport. Upon landing, guests must phone the Radisson Blu Mall of America at 952-881-5258 to request to be picked up and advise of their location: Terminal 1 or Terminal 2. Shuttle time periods are from 5:00 a.m.-9:00 p.m. on Fridays and 7:00 a.m.-9:00 p.m. on Saturdays and Sundays. Reservations are also accepted by calling 952-881-5258.

The Metro Transit is also accessible from the Minneapolis-St. Paul International Airport. The Blue Line runs between the airport and the Mall of America. Travel time is approximately 15 minutes and the fare is approximately $2.25. For more information on the light rail train system, visit: http://www.metrotransit.org/light-rail.aspx.

*Travel arrangements are the sole responsibility of the individual registrant*
Lodging Accommodations

The Radisson Blu Mall of America (meeting headquarters) is conveniently located at Mall of America® in Bloomington, Minnesota. From the covered ramp at the hotel’s southern entrance to exquisite on-site dining, the Radisson Blu stands out for its full range of convenient amenities in an incredible location. The hotel’s skyway connection to Mall of America provides easy access to more than 500 shopping, dining and entertainment options.

Guest rooms have been reserved for attendees and their guests with special course rates.

**Radisson Blu Mall of America**  
Run of House: $149 per night  
2100 Killebrew Drive  
Bloomington, Minnesota 55425  
952-881-5258

Check-in time is 3:00 p.m. on the day of arrival and check-out time is 12:00 p.m. on the day of departure.

Reservations may be made by calling 1-800-333-3333 and asking for the Mayo Clinic Breast Imaging rate. In order to receive the special rate, reservations must be made before the room block is filled or before September 4, 2015, whichever comes first. Reservations will be taken following this date based on space and rate availability. Please note that rooms are limited and early registration is strongly encouraged to avoid disappointment.

**Lodging arrangements are the sole responsibility of the individual registrant.**

Mayo Clinic Department of Radiology CME is not responsible for expenses incurred by an individual who is not confirmed and for whom space is not available at the meeting. Costs incurred by the registrant such as airline or hotel fees or penalties are the responsibility of the registrant.

Parking

Valet parking is available based upon availability at time of arrival for $22 for overnight and $10 for event parking. Complimentary self-parking is also available, based on availability, so please inquire with hotel on the day you plan to arrive for the most up-to-date information. All parking availability is subject to change.

Complimentary self-parking is also available in the East and West Mall of America lots. If you are a registered hotel guest and are parking overnight in either of these lots, please bring the make and model of your vehicle as well as your license plate number to our front desk upon check-in. Hotel team will inform Mall team of your information. Mall of America’s team will tow cars that are parked overnight that have not been registered with the hotel as staying at the hotel on that same night. This program is subject to change.

GENERAL INFORMATION

Faculty Disclosure

As a provider accredited by ACCME, Mayo Clinic College of Medicine (Mayo School of Continuous Professional Development) must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course director(s), planning committee, faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of this information will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.

National Physician Payment Transparency Program

Mayo Clinic College of Medicine complies with the requirements of the National Physician Payment Transparency Program OPEN PAYMENTS (Physician Payments Sunshine Act).
Saturday, September 26, 2015

6:45 a.m. Registration and Continental Breakfast for Meeting Participants

7:20 a.m. Welcome and Announcements

7:30 a.m. BI-RADS: Update and Review – **SAM I**  
Robert T. Fazzio, MD, PhD

8:00 a.m. The Breast Imaging Audit: A Tool To Help Your Practice – **SAM I**  
Robert W. Maxwell, MD

8:30 a.m. **SAM Test and Question Discussion**  
Robert T. Fazzio, MD, PhD and Robert W. Maxwell, MD

8:45 a.m. Shared Decision Making: Screening Mammography for Women 40 to 49  
Ellen Abeln, MD

9:15 a.m. Contrast Enhanced Mammography Update  
Jessica Kuehn-Hajder, MD

9:45 a.m. Break

10:00 a.m. Going Nuclear: Molecular Breast Imaging for Screening Women with Dense Breasts  
Katie N. Jones, MD

10:30 a.m. Future Screening With Breast MRI: Can We Stop Doing Mammography?  
Michael T. Nelson, MD

11:00 a.m. Breast Imaging: How Do We Demonstrate Our Value  
Richard Ellis, MD

11:30 a.m. Faculty Panel Discussion  
Faculty

12:00 p.m. Lunch

12:45 p.m. Aggressive Benign Breast Disease: Imaging, Diagnosis and Concordance  
Robert T. Fazzio, MD, PhD

1:15 p.m. High-risk Lesions Identified on Core Needle Biopsy: How To Manage  
Richard Ellis, MD

1:45 p.m. Using Breast Imaging to Predict Response to Neoadjuvant Therapy  
Douglas Yee, MD

2:15 p.m. Break
2:30 p.m.  The Radiology of Breast Cancer Molecular Subtypes: An Introduction  
Tim H. Emory, MD

3:00 p.m.  Breast Cancer Molecular Subtype/Imaging Correlation  
Tim H. Emory, MD

3:30 p.m.  Techniques in Ultrasound Guided Biopsy  
Robert W. Maxwell, MD

4:00 p.m.  Faculty Panel Discussion
