TWENTY-SIXTH

AUDIOLOGY CONFERENCE

Saturday, February 6, 2016
LIVE interactive conference via webcast
COURSE DESCRIPTION

The Mayo Clinic 26th Audiology Conference is a live interactive conference via webcast targeted to audiologists, audiology students, otorhinolaryngologists, and others involved in hearing health care and dizziness/balance. The morning session will focus on linking hearing and memory to social, psychological, and health factors as well as health care economics and audiology. The afternoon segment will include vestibular loss in the pediatric population and ototoxicity monitoring.

COURSE OBJECTIVES

At the conclusion of the Mayo Clinic 26th Audiology Conference participants should be able to:

• Explain how multiple social factors affect how older adults hear and remember information.

• Discuss the recent code changes for caloric balance evaluation, current status of the ICD-10 coding system, current status of PQRS relative to audiology, future trends for quality reporting, and identify health care economic forces impinging on our reimbursement.

• Describe the consequences of vestibular loss in the pediatric population.

• Identify current and emerging clinical processes to monitor for ototoxicity in pediatric and adult patients.

COURSE CREDIT

Unitron is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products, or clinical procedures.

This course is offered for 0.45 CEUs (Intermediate level, Professional area).

Unitron is approved by the American Academy of Audiology to offer Academy CEUs for this activity. The program is worth a maximum of 0.45 CEUs. Academy approval of this continuing education activity does not imply endorsement of course content, specific products, or clinical procedures. Any views that are presented are those of the presenter/CE Provider and not necessarily of the American Academy of Audiology.

This program is approved by the International Hearing Society and its educational committee, the International Institute for Hearing Instruments Studies.

EDUCATIONAL GRANTS

This course is supported in part by unrestricted educational grants. At the time of this printing, a complete list of individual and commercial supporters was not available. Appropriate acknowledgment will be given to all supporters in all materials at the time of the meeting.
HOST SITE REGISTRATION
The host site registration fee is $250 (USD). Full payment must be received prior to the program. To register as a host site, please complete the registration form and mail to the address printed on the form. A participant fee of $15 per person is due at the completion of the conference.
