Embrace the Past, Celebrate the Present, Prepare for the Future

Presentation by Dr. Sonnie Hereford

The month of February is dedicated to Black History Month. Celebrate the influences African Americans have had on history.

Dr. Hereford shares his experiences as an African American physician in segregated Alabama during the 1950s and 1960s. His desire for peaceful and positive change influenced Huntsville and started to open doors for African Americans in the South. He is a noted physician, visionary and advocate.
