30th Mayo Clinic

PEDIATRIC DAYS

October 2 & 3, 2003

Mayo Clinic
Rochester, Minnesota

Amberg Helmholz Speaker:
Mary A. Carskadon, M.D.
Sleep Research Laboratory
E.P. Bradley Hospital, East Providence, Rhode Island

A Joint Sponsored Program of
Ospedale Pediatrico Bambino Gesu
& Mayo Clinic Eugenio Litta
Children’s Hospital
COURSE DESCRIPTION

The 30th Mayo Clinic Pediatric Days is designed to provide physicians, physician assistants and nurse practitioners with current information on a variety of medical and surgical conditions affecting children and adolescents. Topics address new developments in pediatrics as well as subjects of interest noted by previous course attendees. Our key themes this year are neonatology, pediatric emergency medicine and health problems of adolescents.

Morning plenary talks with question and answer periods will be complemented by Friday afternoon workshops.

COURSE LEARNING OBJECTIVES

At the conclusion of this course, the participants should be able to:

• Identify advances in a variety of general pediatric areas.
• Identify new psychopharmacological agents.
• Identify the application of genetic tests to the practice of Pediatrics.
• Explain rationale for current antibiotic selections.
• Identify management strategies for pediatric emergencies.
• Describe new information about breast feeding.
• Assess skills pertaining to newborn resuscitation.
• Practice recent changes in immunization policy.
• Recognize the impact of sleep-wake disturbances on adolescent behavior.

INTENDED AUDIENCE

The course is designed for community pediatricians, pediatric specialists, family medicine physicians, physician assistants, pediatric nurse practitioners, and family medicine nurse practitioners.

CREDIT

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Mayo Foundation and Ospedale Pediatrico Bambino Gesù. Mayo Foundation is accredited by the ACCME to provide continuing medical education for physicians.

Mayo Foundation designates this educational activity for a maximum of 13.25 category 1 credits towards the AMA Physician’s Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

AAPA accepts Category 1 credit from AOACCME, Prescribed credit from AAFP, and AMA Category 1 CME credit for the PRA from organizations accredited by ACCME.

This program has been reviewed and is acceptable for 13.25 prescribed hours from the American Academy of Family Physicians.

This continuing medical education activity has been reviewed by the American Academy of Pediatrics and is acceptable for up to 13.25 AAP credit hours. These credits can be applied toward the PREP Education Award available to Fellows and Candidate Fellows of the American Academy of Pediatrics.

The National Association of Pediatric Nurse Associates and Practitioners accepts AAP PREP approved credit hours. Nurse practitioners who wish this credit should send a copy of the course completion certificate, verification of AAP PREP approval for this course, and the appropriate recording fee to NAPNAP.

DATE & LOCATION

The 30th Mayo Clinic Pediatric Days will be held October 2 & 3, 2003. Course headquarters will be located in Leighton Auditorium on the second floor of the Siebens Medical Education Building, Mayo Clinic, 100 Second Avenue Southwest, Rochester, Minnesota. Meeting facilities are easily accessible by skyway and pedestrian subway, which connect Mayo Clinic to shops, theaters, restaurants, and hotels.

Added Value!
Pediatric Research Symposium on October 4, 2003
The Departments of Pediatrics from Mayo Clinic and Ospedale Pediatrico Bambino Gesù are sponsoring a symposium on cutting edge research being done at each institution on Saturday, October 4, 2003. The format will be a series of 5 matched presentations with one speaker from each institution on each topic followed by a period for discussion, comments and questions. All registrants for Mayo Clinic 30th Pediatric Days are welcome to attend the symposium at no extra charge. Please contact Daniel D. Broughton, MD @ dbroughton@mayo.edu by September 15th if you plan to attend. The Bambino Gesù Hospital is located in Rome, Italy and is one of three officially recognized pediatric research facilities in Italy, as well as being a highly respected clinical pediatric inpatient and outpatient facility covering primary care and all pediatric subspecialties.
