These open-book sessions will be chaired by expert faculty who will analyze each module question, review current evidence and key points and summarize clinical pearls. Session attendees actively participate using an audience response system. They verbalize their understanding of current evidence and a common consensus will be achieved in answering these questions.

The sessions will include two 2007 Update modules (25 questions each) and two Internal Medicine modules (60 questions each). Candidates may choose any or all module(s) in internal medicine and complete 60 of 100 points required to sit for the maintenance of certification examination. These modules are available through ABIM (www.abim.org) on CD-ROM or on the Internet. A paper version of the module can also be obtained on request.

Upon conclusion of this program, participants should be able to:

• Identify key issues in ABIM Office-Based Internal Medicine SEP Medical Knowledge Module
• Summarize recent advances in Office-Based Internal Medicine based on case discussions.
• Complete the ABIM Office-Based Internal Medicine SEP Medical Knowledge Module
• Explain current ABIM Maintenance of Certification requirements.

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

General internists and subspecialists preparing for maintenance of their certification in internal medicine.

College of Medicine, Mayo Clinic is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

College of Medicine, Mayo Clinic designates this educational activity for a maximum of 16.5 AMA PRA Category 1 Credits™ if attending all four ABIM SEP Medical Knowledge modules. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The ABIM SEP Boot Camp will be held August 23-24, 2008. Course headquarters will be located in Leighton Lecture Hall, 5th Floor, Room 104, Gonda Building, Mayo Clinic, 100 Second Avenue Southwest, Rochester, Minnesota.

To register online, visit http://www.mayo.edu/cme/2008.html, or complete the attached registration form and return by mail or fax. The registration fee includes tuition, course syllabus, continental breakfasts, lunch, and break refreshments. Although it is not Mayo School of CME policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is advised. A letter of confirmation will be sent upon receipt of payment and completed registration form.

CANCELLATION POLICY  

If you cancel your participation in this course, your registration fee, less a $75 administrative fee, will be refunded when written notification is received by Mayo School of CME before August 9, 2008 (fax#: 507-284-0532). No refunds will be made after August 9, 2008.

Mayo School of CME reserves the right to cancel or postpone any course due to unforeseen circumstances. In the unlikely event Mayo School of CME must cancel or postpone this course, Mayo School of CME will refund the registration fee, but is not responsible for any related costs, charges, or expenses to participants, including fees assessed by airline/travel/lodging agencies.

TRAVEL  

Rochester, Minnesota, is a friendly city that greets thousands of visitors from around the world each year. The city is serviced by a modern international airport with multiple flights daily from Chicago, Detroit, Dallas-Fort Worth, and Minneapolis via American or Northwest Airlines. Access to and from the airport is provided by taxi, shuttle service, and rental car. The airport is located approximately 10 miles from the Mayo Clinic campus.

Note to Travelers: Several cities in the United States are named Rochester. When you make airline reservations and check your baggage, be sure that your destination is Rochester, Minnesota (RST) and that your baggage has been properly tagged.

Travel arrangements are the sole responsibility of the individual registrant.
