28th
MAYO CLINIC
PEDIATRIC DAYS
Advocating for Children

October 4-5, 2001

Special Guests:
• Lori Fraser, M.D.
• Carolyn Levitt, M.D.
• Michael Severson, M.D.
• Victor I. Vieth, J.D.
• David Walsh, Ph.D.

Mayo Clinic
Rochester, Minnesota
COURSE DESCRIPTION

The 28th Mayo Clinic Pediatric Days is designed to provide physicians and nurse practitioners with current information on a variety of medical and surgical conditions affecting children and adolescents. Topics address new developments in pediatrics as well as subjects of interest noted by previous course attendees.

Our special sub-theme this year is “Advocating for Children,” featuring a Friday morning symposium on Child Abuse Issues with a panel of nationally recognized experts in this field.

Morning plenary shorter talks with Q & A periods will be complemented by longer afternoon workshops on pediatric and adolescent topics in the areas of Infectious Disease/Antibiotics, ENT, Endocrinology, Behavior/Development, Intensive Care, Emergency Pediatrics, Female Adolescents, Male Adolescents, Sleep Disorders, Seizures, GI, Nephrology, Neonatology, Sports Medicine, Rheumatology, Lab Medicine, Cardiology, Radiology, Genetics, Immunizations, in addition to a seminar on issues related to child abuse with seven speakers of national prominence.

COURSE LEARNING OBJECTIVES

At the conclusion of this course, the participants should be able to:

- Employ the national standard of care for the reporting and management of suspected child abuse, including the exam of prepubertal genitals in children
- Recognize the indication and options for cochlear implantation for deafness in children
- Assess the effects of violence in the media
- Recognize the latest therapies for epilepsy in children
- Interpret the current debate for the monthly adolescent breast exam
- Choose the best combinations of vaccines available to children with emphasis on new vaccine availability
- Analyze the best use of drugs in ADD and ADHD in children
- Integrate the evaluation of sports injuries on the field by primary care providers

INTENDED AUDIENCE

This course is designed for community general pediatricians, pediatric specialists, family medicine physicians, physician assistants, pediatric nurse practitioners, and family medicine nurse practitioners.

CREDIT

Mayo Foundation is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Mayo Foundation designates this educational activity for a maximum of 13.0 hours in category 1 credit towards the AMA Physician’s Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Category 1 AMA approved continuing medical education credit may be submitted to the American Academy of Physician Assistants and meets the criteria for Minnesota Physician Assistant registration.

This program has been reviewed and is acceptable for 14.25 prescribed hours from the American Academy of Family Physicians.

This continuing medical education activity has been reviewed by the American Academy of Pediatrics and is acceptable for up to 13.0 AAP credit hours. These credits can be applied toward the PREP Education Award available to Fellows and Candidate Fellows of the American Academy of Pediatrics.
The National Association of Pediatric Nurse Associates and Practitioners accepts AAP PREP approved credit hours. Nurse practitioners who wish this credit should send a copy of the course completion certificate, verification of AAP PREP approval for this course, and the appropriate recording fee to NAPNAP.

DATE AND LOCATION

The 28th Mayo Clinic Pediatric Days will be held October 4 and 5, 2001. Course headquarters will be located in Leighton Auditorium on the second floor of the Siebens Medical Education Building, Mayo Clinic, 100 Second Avenue Southwest, Rochester, Minnesota. Meeting facilities are easily accessible by skyway and pedestrian subway, which connect Mayo Clinic to shops, theaters, restaurants, and hotels.

REGISTRATION

To register, complete the attached registration form and return by mail or fax. The $350 registration fee includes tuition, comprehensive course syllabus, continental breakfasts, and refreshment breaks. Although it is not Mayo School of Continuing Medical Education policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment. Early registration is advised. A letter of confirmation will be sent upon receipt of payment and completed registration form. Please present this letter when checking in at the meeting registration desk.

CANCELLATION POLICY

Registration fee, less a $50 administrative fee, will be refunded when written notification is received by the Mayo School of Continuing Medical Education before September 20, 2001. No refunds will be made after September 20, 2001.

LODGING ACCOMMODATIONS

Blocks of guestrooms have been reserved with special course rates at each of the following downtown Rochester hotels. To ensure accommodations and the discounted rate, please make your reservations by September 13, 2001, and identify yourself as a participant of the 28th Mayo Clinic Pediatric Days. Room rates are quoted per night and do not include applicable city and state taxes.

The hotels listed above are connected by skyway and pedestrian subway to conference facilities, downtown shops, restaurants and theaters. You may also wish to visit the Rochester Convention and Visitors Bureau website (www.rochestercvb.org) for additional accommodation options.

PARKING

Parking is available in hotel, city, and Mayo patient/visitor ramps. The cost for parking is not included in the registration fee. A map indicating the location of downtown parking facilities will be mailed with the registrant confirmation letter.
PEDIATRICS AT MAYO

The Department of Pediatric and Adolescent Medicine at Mayo Clinic is staffed by 65 physicians and physician-scientists, 14 subspecialty fellows, and 25 residents. There are also many other pediatric specialists who have primary appointments in the Department of Physical Medicine and Rehabilitation, Medical Genetics, Psychiatry and Psychology, Rheumatology, Orthopedic Surgery, Surgery, Urology, Otorhinolaryngology, Neurologic Surgery, Ophthalmalogy, Anesthesiology, and Diagnostic Radiology. Our mission is to provide the highest quality care to children and adolescents in Rochester, our region, and throughout the world.

ABOUT MAYO EUGENIO LITTA CHILDREN’S HOSPITAL

For more than a century, the name Mayo has stood for quality medical care. Mayo Eugenio Litta Children’s Hospital in Rochester, Minnesota, reaffirms Mayo’s commitment to provide accurate diagnoses, detailed explanation, and treatment for patients of all ages. This hospital, within Saint Marys Hospital, is designed in every way for the young. Mayo Eugenio Litta Children’s Hospital is a place where infants, children and adolescents, with the support of their families, can heal in a setting that is comfortable, caring, and accessible.

Mayo Eugenio Litta Children’s Hospital was funded almost entirely by private gifts. The hospital is named in honor of Eugenio Litta, a son of one of the benefactors.

FACULTY DISCLOSURE

As a provider accredited by ACCME, Mayo Foundation must ensure balance, independence, objectivity and scientific rigor in its educational activities. All faculty participating in a Mayo Foundation activity are required to disclose commitments to and/or relationships with pharmaceutical companies, biomedical device manufacturers or distributors, or others whose products or services may be considered to be related to the subject matter of the educational activity. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these commitments and/or relationships will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.
THURSDAY, OCTOBER 4, 2001

**Program Schedule**

**Moderator. Chad K. Brands, M.D.**

7:30 am  Registration and Continental Breakfast
8:00 am  Opening Remarks  
          *Jay L. Hoecker, M.D.*
8:10 am  Nevi, Moles, and Freckles  
          *Patricia M. Witman, M.D.*
8:30 am  Question and Answer
8:40 am  Self Breast Exam: Is it for Teens?  
          *Patricia S. Simmons, M.D.*
9:00 am  Question and Answer
9:10 am  Chest Pain: When It’s Not a Heart Attack  
          *Julia A. Rosekrans, M.D.*
9:30 am  Question and Answer
9:40 am  Refreshment Break, Visit Exhibits and Poster Session
10:10 am Seizure Therapy: What’s Hot; What’s Not  
          *Jeffrey R. Buchhalter, M.D., Ph.D.*
10:30 am Question and Answer
10:40 am Now Hear This About Cochlear Implants  
          *Colin Driscoll, M.D.*
11:00 am Question and Answer
11:10 am Getting a Grip on Muscle Weakness  
          *Ann M. Reed, M.D.*
11:30 am Question and Answer
11:40 am  MCAD Joins MnNBS  
          *Dietrich Matern, M.D.*
12:00 pm Question and Answer
12:10 pm Advocating for Children in Rural Practice  
          *Michael Severson, M.D.*  
          President, Minnesota Chapter, AAP, Brainerd, Minnesota

**WORKSHOP SESSION I: Choose Two for Thursday**

1:30 pm  **Cardiology:** Fainting and Syncope  
          *Michael J. Ackerman, M.D., Ph.D.*

**Infectious Diseases:** News and Drugs  
          *W. Charles Huskins, M.D.*

**Radiology:** The Survivor Quiz  
          *Jane M.S. Matsumoto, M.D.*

**Pulmonary:** Asthma – Are You Current?  
          *Mark E. Wydam, M.D.*

**Female Adolescents:** Consent and Confidentiality  
          *Patricia S. Simmons, M.D.*  
          *Marcie L. Smith, M.D.*

**Behavior/Development:** PDD and Autism  
          *William J. Barbaresi, M.D.*

3:00 pm  Refreshment Break, Visit Exhibits and Poster Session
3:30 pm  **Workshop Session II**
5:00 pm  Adjourn
Child Advocacy Symposium With Midwest Regional Children’s Advocacy Center, St. Paul, Minnesota

Moderator: Daniel D. Broughton, M.D.

7:30 am  Continental Breakfast, Visit Exhibits, and Poster Session
