

Mayo School of Continuing Medical Education

MAYO CLINIC

LUNG CANCER SYMPOSIUM

*Multi-Modality Management of
Lung Cancer: Future Prospects*

August 20–22, 2004

Mayo Clinic
Rochester, Minnesota

COURSE DIRECTOR:
Alex A. Adjei, M.D., Ph.D.

MAYO CLINIC

General Information

Course Description & Objectives

Lung cancer is the leading cause of cancer deaths in both men and women in the United States. Even though it is the third most common cancer, it accounts for 28% of all cancer deaths. The prevention, diagnosis and treatment of this cancer requires close collaboration between a number of scientific and medical disciplines. Unfortunately, there are few opportunities for individuals in these professions to come together to share ideas and devise sound strategies to attack this lethal disease.

This symposium has been designed to foster interaction and discussion on the current stage of research between the various specialties involved in lung cancer care. This includes basic scientists, epidemiologists, medical oncologists, pathologists, pulmonologists, radiologists, radiation oncologists, statisticians and thoracic surgeons. It is hoped that these interactions will lead to exchange of ideas and collaborations that will enhance research into prevention, diagnosis and treatment of lung cancer.

Upon completion of this course, participants should be able to:

- Describe known etiologic factors in lung carcinogenesis, including the role of inherited variations in the activities of enzymes that detoxify known lung carcinogens.
- Discuss challenges in molecular classification on lung cancer.
- Identify molecular markers that can be used for early detection of lung cancer, as well as for the prediction of response to therapy and long term prognosis.
- Explain challenges faced in the screening of lung cancer, including the economic impact and cost-effectiveness.
- Examine issues faced in the chemoprevention of lung cancer and smoking cessation.
- Describe the multimodality management of early lung cancer.
- Summarize the role of novel imaging approaches in the diagnosis and multimodality therapy of lung cancer.
- Explain the management of locally advanced and metastatic lung cancer.
- Identify issues involved in the testing of novel agents for the therapy of lung cancer, including challenges in study design and seeking regulatory approval.
- Discuss quality of life and symptom control issues in lung cancer patients.

Date and Location

"Mayo Clinic Lung Cancer Symposium" will be held August 20 - 22, 2004 in Phillips Hall, first floor, Siebens Medical Education Building, Mayo Clinic, 100 Second Avenue Southwest, Rochester, Minnesota. Meeting facilities are easily accessible by skyway and pedestrian subway, which connect Mayo Clinic to shops, restaurants and hotels.

Continuing Education Credit

Mayo Foundation is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Mayo Foundation designates this educational activity for a maximum of 16.75 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

The American Medical Association has determined that physicians not licensed in the US who participate in this CME activity are eligible for AMA PRA category 1 credit.

All other health care professionals will be provided a certificate of attendance for requesting credits in accordance with state boards, specialty societies, or other professional associations.

Registration

To register, complete the attached registration form and return by mail or fax. The registration fee of \$250 for physicians and \$150 for residents, clinical and postdoctoral fellows includes tuition, course syllabus, continental breakfasts, lunch and break refreshments, dinner on Friday and riverboat cruise dinner on Saturday. Pre-registration is required and must be received by August 2, 2004. A letter of confirmation will be sent upon receipt of payment and completed registration form. Early registration is advised. Please present the confirmation letter when checking in at the meeting registration desk.

Educational Grants

This course is supported in part by educational grants from the following companies in accordance with ACCME Standards.

Aventis Pharmaceuticals
Eli Lilly & Company
Amgen

AstraZeneca
GlaxoSmithKline
Ortho Biotech

Millennium Pharmaceuticals
Novartis Pharmaceuticals
Roche Laboratories Inc.

At the time of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the time of the meeting.

Dinner Cruise on the Mississippi

Join colleagues for a relaxing evening dinner cruise on the Mississippi River Saturday evening. The Anson Northrup, named for a Minnesota pioneer who operated one of the first boats above Saint Anthony Falls, was computer built specifically for the Minneapolis harbor and put in service in 1988. The sidewheeler's overall height had to be kept under 22 feet because of the low bridges in the area of the river. This three-hour dinner cruise will take you up the Mississippi River past the mouth of the Minnesota River and Pike Island, and go to within sight of the Ford Lock and Dam before returning to Harriet Island.

Pre-registration is required. Motor coach transportation will be provided. Buses will depart Rochester at 3:30 p.m.

Following a leisurely ride to St. Paul, we will board the Anson Northrup at approximately 5:30 p.m. We will return to Rochester at approximately 10:00 p.m.

Lodging

Rooms have been reserved for course participants and guests at four convenient hotel locations. To ensure accommodations, make your reservation by telephone by July 29, 2004. Reservation requests received after this date will be subject to availability at the group rate. When making reservations, identify yourself as a participant of the "Mayo Clinic Lung Cancer Symposium."

Hilton Garden Inn
225 South Broadway
800-445-8667 or 507-285-1234
\$89.00

Radisson Plaza Hotel
150 South Broadway
800-333-3333 or 507-281-8000
\$99.00

Kahler Grand Hotel
20 Second Avenue SW
800-533-1655 or 507-282-2581
\$79.00

Rochester Marriott Hotel
101 First Avenue SW
877-623-7775 or 507-280-6000
\$115.00

Rates quoted are per room per night, single or double occupancy, and are subject to state and local taxes (currently 11%).

These hotels are connected by skyway and pedestrian subway to conference facilities, downtown shops, restaurants and Mayo Clinic complex. You also may visit the Rochester Convention and Visitors Bureau website (www.rochestercvb.org) for additional accommodations.

Parking

Parking is available in hotel, city and Mayo patient/visitor ramps. The cost for parking is not included in the registration fee. A map indicating the location of downtown parking facilities will be mailed with the registrant confirmation letter.

Travel

Rochester, Minnesota, is a friendly city that greets thousands of visitors from around the world each year. A modern international airport services Rochester with multiple flights daily from Chicago and Minneapolis via American and Northwest Airlines. Access to and from the airport is provided by taxi cab and shuttle service. The airport is located approximately 10 driving miles from downtown Rochester and the Mayo Clinic complex.

Contact Lynn at Corporate Travel, 1-800-526-4540 or 507-282-9121, for assistance with your travel needs.

Cancellation Policy

Your registration fee, less a \$75 administrative fee, will be refunded when written notification is received by Mayo School of Continuing Medical Education before August 4, 2004. Notification is encouraged via fax to 507-284-0532. No refunds will be made after August 4, 2004.

Course Faculty

Disclaimer

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures that may be discussed or taught in this course.

Schedule

Friday, August 20, 2004

7:00 a.m. Registration and Continental Breakfast

8:00 a.m. Welcome & Introductions
Alex A. Adjei, M.D., Ph.D., Mayo Clinic

Etiology and Screening

Co-Chairs: *Marie-Christine Aubry, M.D., Mayo Clinic*
James R. Jett, M.D., Mayo Clinic

8:10 a.m. Lung Carcinogenesis: Pathologic and Molecular Events
Adi F. Gazdar, M.D., University of Texas Southwestern Medical Center

8:30 a.m. Pharmacogenetics and Carcinogenesis: An Introduction
Richard M. Weinshilboum, M.D., Mayo Clinic

8:50 a.m. Fluorescence In Situ Hybridization for the Detection of Lung Cancer
Kevin C. Halling, M.D., Ph.D., Mayo Clinic

9:10 a.m. Pathology Classification: Morphology vs Molecular Fingerprinting
Wilbur Franklin, M.D., University of Colorado

9:30 a.m. CT Screening for Lung Cancer: Mayo Clinic Experience
Stephen J. Swensen, M.D., Mayo Clinic

9:50 a.m. Refreshment Break

10:10 a.m. Management of Screening Detected Lung Lesions
David E. Midthun, M.D., Mayo Clinic

10:30 a.m. Economics of Screening
Kirsten Hall Long, Ph.D., Mayo Clinic

10:50 a.m. Panel Discussion
Etiology and Screening Faculty and
Peter Bach, M.D., M.A.P.P., Memorial Sloan-Kettering Cancer Center
Thomas E. Hartman, M.D., Mayo Clinic
Fred Hirsch, M.D., Ph.D., University of Colorado
Corey Langer, M.D., Fox Chase Cancer Center

11:50 a.m. Lunch

From Prevention to Proteomics and Beyond

Co-Chairs: *Andrea Bezjak, M.D., M.S.C., Princess Margaret Hospital*
Steven M. Dubinett, M.D., University of California Los Angeles

1:00 p.m. Pharmacogenetic Approach to Nicotine Dependence Treatment
Caryn Lerman, Ph.D., University of Pennsylvania

1:20 p.m. Treating Tobacco Dependence: State of the Art
Richard D. Hurt, M.D., Mayo Clinic

1:40 p.m. Chemoprevention
Eva Szabo, M.D., National Cancer Institute

2:00 p.m. Quality of Life
Jeff Sloan, Ph.D., Mayo Clinic

2:20 p.m. Panel Discussion
From Prevention to Proteomics and Beyond (Part I) Faculty and
Jeffrey Crawford, M.D., Duke University
Jon O. Ebbert, M.D., Mayo Clinic
Aminah Jatoi, M.D., Mayo Clinic
Fadlo Khuri, M.D., Emory University - Winship Cancer Institute

3:20 p.m. Refreshment Break

3:40 p.m. Molecular Predictive Markers
James Herman, M.D., Sidney Kimmel Cancer Center at Johns Hopkins University

- 4:00 p.m. Application of Proteomics to Improve the Specificity Spiral CT Screening of Early Stage Lung Cancer
Lance Liotta, M.D., National Institutes of Health/National Cancer Institute
- 4:20 p.m. Proteomics of Non-Small Cell Lung Cancer
David Carbone, M.D., Ph.D., Vanderbilt-Ingram Cancer Center
- 4:40 p.m. Panel Discussion
From Prevention to Proteomics and Beyond (Part II) Faculty and
David Beer, Ph.D., University of Michigan Comprehensive Cancer Center
Arkadiusz Dudek, M.D., Ph.D., University of Minnesota
Roy Herbst, M.D., Ph.D., MD Anderson Cancer Center
Julian R. Molina, M.D., Ph.D., Mayo Clinic
George Vasmatazis, Ph.D., Mayo Clinic
- 5:40 p.m. Adjourn
- 6:30 p.m. Dinner

Saturday, August 21, 2004

Early Lung Cancer

- Co-Chairs:** *Margaret R. Spitz, M.D., MD Anderson Cancer Center*
Eric Vallieres, M.D., F.R.C.S.C., Swedish Cancer Institute
- 7:00 a.m. Registration and Continental Breakfast
- 8:00 a.m. Epidemiology of Lung Cancer: High Risk Families
Gloria M. Petersen, Ph.D., Mayo Clinic
- 8:20 a.m. Wedge/Segmentectomy: A Surgical Option?
Mark S. Allen, M.D., Mayo Clinic
- 8:40 a.m. Systemic Adjuvant Therapy
David H. Johnson, M.D., Vanderbilt-Ingram Cancer Center
- 9:00 a.m. Bronchoscopic/Laser Ablative Techniques
Eric S. Edell, M.D., Mayo Clinic
- 9:20 a.m. Chemotherapy and Radiation
Walter Curran, Jr., M.D., Thomas Jefferson University
- 9:40 a.m. Refreshment Break
- 10:00 a.m. Issues in Clinical Trial Design for Early Lung Cancer
John C. Crowley, Ph.D., Fred Hutchinson Cancer Research Center
- 10:20 a.m. Panel Discussion
Early Lung Cancer Faculty and
A. William Blackstock, Jr., M.D., Wake Forest University
Philip Bonomi, M.D., Rush Medical College
Sumithra J. Mandrekar, Ph.D., Mayo Clinic
John A. Odell, M.D., Mayo Clinic
Harvey Pass, M.D., Wayne State University
Ping Yang, M.D., Ph.D., Mayo Clinic
- 11:20 a.m. Lunch

Clinical Trial Design of Novel Agents

- Co-Chairs:** *Paul Bunn, Jr., M.D., University of Colorado Cancer Center*
David Parkinson, M.D., Amgen Pharmaceuticals
- 12:30 p.m. Incorporation of Surrogates/Biomarkers into Clinical Trials
Louise Grochow, M.D., National Cancer Institute
- 12:50 p.m. Statistical Design of Studies Utilizing Cytostatic Agents
James E. Herndon, II, Ph.D., Duke University Medical Center
- 1:20 p.m. FDA Perspective on Appropriate Design of Studies Evaluating Novel Agents
Richard Pazdur, M.D., U.S. Food and Drug Administration

- 1:40 p.m. Challenges to Industry in Developing Novel Agents for Lung Cancer Therapy
Paolo Paoletti, M.D., Eli Lilly & Company
- 2:00 p.m. Panel Discussion
*Clinical Trial Design of Novel Agents Faculty and
Janet Dancey, M.D., F.R.C.P.C., National Cancer Institute
Robert Mass, M.D., Genentech, Inc.
Thomas Roberts, M.D., M.Soc.Sci., Massachusetts General Hospital Cancer Center
Alan B. Sandler, M.D., Vanderbilt-Ingram Cancer Center
Maurizio Voi, M.D., Bristol-Myers Squibb & Company
Siu-Long Yao, M.D., Aventis Pharmaceuticals*
- 3:00 p.m. Adjourn
- 3:30 p.m. Depart Rochester for Anson Northrup Riverboat Dinner Cruise
on Mississippi River

Sunday, August 22, 2004

Locally Advanced Disease

- Co-Chairs:** *David Gandara, M.D., University of California at Davis
Paul Harari, M.D., University of Wisconsin - Madison*
- 7:00 a.m. Registration and Continental Breakfast
- 8:00 a.m. Novel Targets for Radiosensitization
Jann N. Sarkaria, M.D., Mayo Clinic
- 8:20 a.m. Integration of Functional Imaging into Radiotherapy Planning
Kenneth Rosenzweig, M.D., Memorial Sloan-Kettering Cancer Center
- 8:50 a.m. Neoadjuvant Therapy
Kathy S. Albain, M.D., Loyola University Chicago
- 9:10 a.m. Surgery for Stage IIIA NSCLC
Claude Deschamps, M.D., Mayo Clinic
- 9:30 a.m. Refreshment Break
- 9:50 a.m. Molecular/Functional Imaging for Evaluating Response to Treatment
Val J. Lowe, M.D., Mayo Clinic
- 10:10 a.m. Novel Approaches to Management of Brain Metastases
Laurie E. Gaspar, M.D., University of Colorado
- 10:30 a.m. Panel Discussion
*Locally Advanced Disease Faculty and
James A. Bonner, M.D., University of Alabama at Birmingham
David Jablons, M.D., University of California at San Francisco
Karen Kelly, M.D., University of Colorado
Ravi Salgia, M.D., Ph.D., University of Chicago
Steven E. Schild, M.D., Mayo Clinic*
- 11:30 a.m. Summary and Closing Comments
- 12:00 noon Adjourn

Faculty Disclosure

As a provider accredited by ACCME, Mayo Foundation must ensure balance, independence, objectivity and scientific rigor in its educational activities. All faculty participating in a Mayo Foundation activity are required to disclose commitments to and/or relationships with pharmaceutical companies, biomedical device manufacturers or distributors, or others whose products or services may be considered to be related to the subject matter of the educational activity. Faculty also will disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these commitments and/or relationships will be published in course materials so participants may formulate their own judgments regarding the presentation.
