SEPTEMBER 22-23, 2017

COURSE HIGHLIGHTS

- MOC points during optional Dermatopathology Workshop or General Dermatology sessions
- Renowned guest speakers include Murad Alam, M.D.; Mark Dahl, M.D.; Jacqueline Junkins-Hopkins, M.D.; and Dedee Murrell, M.D.
- Practice content focused on practice gaps, each including high-yield facts with clinical pearls
- Traditional Gala Dinner on Friday, September 22 at the Rochester Golf & Country Club

TARGET AUDIENCE

This symposium is intended for dermatologists, dermatopathologists, dermatologic surgeons, pediatric dermatologists, physician assistants, nurse practitioners and other health care providers practicing in the area of clinical, pediatric, genetic, laboratory and surgical dermatology.

LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

- Evaluate current clinical, pediatric, laboratory, surgical and research information relevant to dermatologic disease
- Integrate new knowledge into daily patient care in the clinical practice of dermatology
- Identify practice gaps that exist in clinical, laboratory, pediatric and surgical dermatology
- Apply new technical skills in basic procedural dermatology
- Apply new clinically-relevant dermatopathology information
- Identify ways in which dermatologic providers can be innovative in their practice
- Explore ways in which dermatologic providers can fill gaps in their practice

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.
