8th Annual Mountain Course
SUCCESS WITH FAILURE:
New Strategies for the Evaluation and Treatment of Congestive Heart Failure

August 10-12, 2003

The Fairmont Chateau Whistler
Whistler, British Columbia, Canada

Course Description
Mayo Clinic Rochester is pleased to present the 8th Annual Meeting of SUCCESS WITH FAILURE: New Strategies for the Evaluation and Treatment of Congestive Heart Failure. The exciting new curriculum includes up-to-date presentations on congestive heart failure evaluation and treatment. New diagnostic tools, drugs, and devices will be reviewed along with their role in specific clinical situations. The program format which includes case-based discussions, surgical and medical perspectives, debates, and small group sessions will ensure a lively and relevant education opportunity for all practitioners. Members of the Mayo Clinic Heart Failure and Transplant teams along with a distinguished visiting faculty look forward to seeing you in Whistler next summer for the Great Canadian Experience.
