**PROFESSIONALISM AT  
ACADEMIC MEDICAL CENTERS:  
*Challenges and Opportunities***

**October 4-5, 2007**

Siebens Building, Leighton Auditorium  
Rochester, Minnesota

**Course Description:** Interest in medical professionalism is widely prevalent and increasing. This two-day symposium will address important opportunities and challenges in promoting, teaching, learning and assessing professionalism at academic medical centers. The faculty of this symposium will include nationally-recognized scholars in medical professionalism and leaders of the Mayo Clinic Program on Professionalism and Bioethics. The curriculum of this symposium will have broad appeal to individuals of all disciplines at academic medical centers.

**Additional Information:** Online registration and a detailed course brochure will be available in May 2007. Contact the Mayo School of CME:
