

2009 CME Series for Primary Care Physicians

Walker Auditorium, Mayo Clinic, Jacksonville, Florida

Series Description:

Mayo Clinic is pleased to announce a quarterly series of CME programs focused on common questions in breast cancer (April 4), obesity (May 23), prostate cancer (August 29) and preventive medicine (November 14). Designed for the busy practicing physician, physician assistant and nurse, lectures will be case-based from a multispecialty panel of speakers followed by ample time for questions and discussion. An optional tour of the hospital is available for any interested attendee.

Series Session I:

Caring for the Breast Cancer Patient

Saturday, April 4, 2009

- 8:30 a.m. Registration and Continental Breakfast
- 8:55 Welcome – *Salvador Alvarez, M.D. and David Thiel, M.D.*
