COURSE HIGHLIGHTS:

This CME course is intended for clinicians with an interest in multiple sclerosis (MS) multidisciplinary care, including specialists and primary care physicians. Course highlights include cutting-edge research reviews by leading investigators in MS pathology, neuroimaging, disease models, clinically relevant laboratory research, and clinical trial design. The presentations will focus on practical clinical management of MS and MS variants such as Neuromyelitis optica; and include the latest research in neuroimaging, MS genetics, and MS pathology and immunology. Case vignettes will illustrate evidence-based, practical approaches to MS care and there will be ample opportunity for interaction with course faculty.

MEETING LOCATION:

Scottsdale Marriott at McDowell Mountains is a magnificent retreat that combines a spectacular resort setting with the convenience and amenities of an all-suite luxury hotel. Their two-room suites are spacious and inviting, offering a separate living area complete with wet bar, refrigerator, 2 televisions and 3 telephones with dual voice lines, and a high-speed T1 Internet connection. **Hotel rooms in the valley are limited**, so please make your reservations early. The Scottsdale Marriott at McDowell Mountains has reserved a small block of luxurious rooms at a special group rate of \$259, based on single/double/triple/quad occupancy, plus applicable taxes. There is no additional charge for children under the age of 18. Group rates will apply three days prior to and three days following the course dates, based on availability. Reservations should be made directly with the Scottsdale Marriott at McDowell Mountains by calling 1-800-288-6127 or 1-480-502-3836. Please specify you are attending this course when you call.

RECREATIONAL/LEISURE ACTIVITIES:

Scottsdale offers both the means and the mindset to venture forth into the great outdoors – to pursue a favorite pastime or take up a new activity. Year-round sunny skies allow for ample hiking or biking through the dramatic Sonoran Desert landscape. There are more than 280 golf courses in the Metro-Phoenix area waiting to test your skills. If indoor activities are more your style, you'll find an endless array of shopping malls, boutiques, art galleries, and a culinary paradise. Visit www.phoenixcvb.com or www.scottsdalecvb.com for additional recreation and leisure activities.
