COURSE HIGHLIGHTS: Current trends for management of general surgical patients are constantly changing. As technological advances progress, the options for surgical treatments continue to expand. This interactive symposium designed for general surgeons, assists in decision making for multiple aspects of surgical practice. Active audience participation with faculty will be strongly encouraged during case presentations and faculty panel discussions.

Aloha! Plan to attend now! Hawaii can still be affordable. Whether you go through the airline directly to price the airfare or through an online travel company, reasonable fares can be obtained. (Some even provide a guarantee of the lowest fare or a refund of the difference.) Hawaii’s calm blue ocean waters, pristine beaches, and breathtaking sunsets are calling you.

MEETING LOCATION: On the Big Island of Hawaii, Hapuna Beach Prince Hotel is upbeat, breezy and dramatic, sharing more than 1,800 acres of oceanfront paradise with the legendary Mauna Kea Beach Hotel. The hotel is nestled into the bluffs above the #1-rated Hapuna Beach in a flowing, contemporary Hawaiian style. All 350 of its guestrooms are ocean-facing. Their open-air lobby provides sweeping views of the Kohala coastline. For more details on the Hapuna Beach Prince Hotel, visit their Web site at www.HapunaBeachPrinceHotel.com. Room rates range from $229-279 per night which includes complimentary access to the Hapuna fitness center. Call 808-880-1111 or 866-PRINCE-6 to make your reservation today!

“Prince Keiki Club” - Younger guests (age 5-12 years) have a “cool” place to enjoy days of fun under the sun. While you relax by the pools or beaches, or play a challenging game of golf, your children can have hours of fun with our Prince Keiki Club offering a wide variety of activities. Reservations required.

RECREATION/LEISURE ACTIVITIES: The Big Island offers everything you might want from a tropical vacation - dependable sunshine, superb sandy beaches, warm turquoise fish-filled waters, waterfalls, pristine forests, and dramatic landscapes. The Big Island is replete with contrasts and natural diversity. One example is the Hawaii Volcanoes National Park, which contains one of the world’s most active volcanoes. http://www.nps.gov/havo. Visit www.gohawaii.com for additional recreation and leisure activities.

REGISTRATION: For additional course information, call Mayo School of CME in Scottsdale at 480-301-4580. The course brochure and online registration will be available approximately 4 months prior to the course. Please visit our website http://www.mayo.edu/cme. A brochure will be mailed to you as soon as they are printed. Join us on the Big Island! Aloha!
