COURSE HIGHLIGHTS

The 11th Annual Internal Medicine Update – Sedona 2008 is a unique four-day course offering primary care physicians a practical update on multi-specialty topics, including, but not limited to Gastroenterology, Cardiology, Nephrology, Myeloma, Neurology, Orthopedics, Pulmonary, Pain Management, Women's health, Infectious Disease, Diabetes, Hypertension, Dermatology, Rheumatology, and Travel Medicine. The program format includes didactic lectures, pre/post tests, question and answer sessions with the faculty, and the use of an interactive keypad system for immediate audience feedback.

SEDONA

Sedona, the beautiful Red Rock country of Arizona, is a short 90-minute drive north of Phoenix and Sky Harbor International Airport. Known to many as a spiritual healing place, Sedona is home to the mystical Red Rock Vortexes, which local Hopi Indians say radiate unique healing energy powers. Sedona offers many activities that appeal to tourists, ranking it as one of Arizona's favorite travel destinations. Activities include everything from sightseeing and shopping, to outdoor adventures, such as hiking, mountain biking, canoeing, hot air balloon rides and helicopter or jeep tours. For a glimpse into the beauty of Sedona, visit <http://www.visitsedona.com> or <http://www.sedonachamber.com>.

MEETING LOCATION & ACCOMMODATIONS

The Hilton Sedona Resort & Spa, located 90 minutes north of Phoenix at 90 Ridge Trail Drive in Sedona, Arizona.
