Caleo Resort & Spa
Scottsdale, Arizona
Wednesday – Saturday
March 21-24, 2007
Clinical Reviews 2007: A Primary Care and Internal Medicine Update is a four-day continuing medical education course designed for primary care providers, featuring medical updates and management strategies on various diseases. The program will include lectures; Q&A sessions; a unique interactive format that allows for immediate audience participation; Meet the Preceptor luncheons for one-on-one interaction between faculty and registrants; and various afternoon workshops where registrants choose a topic of interest.

Upon completion of this course, participants should be able to:
• Review issues particular to men’s health including prostate cancer and erectile dysfunction.
• Explain the utility of dermoscopy in the assessment of skin lesions.
• Adopt new interviewing techniques to foster improved patient relationships.
• Identify the ethical issues of end-of-life, medical futility and palliative care.
• Recognize the role of and tools used in the practice of integrative medicine.
• Distinguish the role of genetic counseling in providing family members of patients with inherited disease the most complete information regarding their risk of having the same disease.
• Administer the appropriate treatment for secondary prevention of cardiac death in a patient with coronary artery disease.
• Recognize depression in fellow health care providers.
• Apply the principles of evidence-based medicine in primary care.

Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Mayo Clinic College of Medicine designates this educational activity for a maximum of 24 AMA PRA category 1 credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

The program has been approved by the American Osteopathic Association for 24 hours of 2-A accreditation.

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

As of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the meeting.

As a provider accredited by ACCME, Mayo Clinic College of Medicine (Mayo School of CME) must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Directors, Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of this information will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.
