Course Highlights
The 15th Annual Urogynecology and Disorders of the Female Pelvic Floor returns as a three-day course, presenting the latest in treatment for urogynecology and female pelvic floor disorders. It is designed for gynecologic and urologic surgeons, allied health staff, and medical practitioners with an interest in the current treatments for pelvic floor dysfunction, surgical management of urinary and fecal incontinence, overactive bladder, and repair of genito-urinary fistula. The course offers didactic lectures, video presentations of advanced laparoscopic and robotic surgery, surgical case presentations and panel discussions. The format also includes use of the Audience Response System, which provides immediate feedback, providing an optimal learning experience for Q & A interaction between the speaker and course participants. In addition, as an added value feature, all attendees will receive a post-course audio CD-ROM of the program.

Registration
To register, please call (480) 301-4580. The registration fee is $635 for physicians active in practice. The course registration fee includes continental breakfasts, lunch on Thursday, refreshment breaks, course syllabus, and course audio CD ROM (CD's will be mailed to attendees following the course). A special rate of $475 is available for residents, retired physicians, active duty military, Indian Health Service physicians, and other interested allied health providers. A letter of confirmation will be sent upon receipt of payment and completed registration form. If you do not receive a confirmation letter, please send an e-mail to mcs.cme@mayo.edu or call (480) 301-4580. Please have this letter accessible when checking in at the meeting registration desk.

No refund will be granted unless a written notice of cancellation is received. If registration must be canceled, tuition less a $75 administrative fee will be refunded when notification is received prior to March 9, 2006. No refunds will be made after March 9, 2006.
