Mayo School of Continuing Medical Education uses multiple mailing lists and cannot always eliminate duplications. If you have received multiple brochures, please post or share them with your colleagues.
Dear Colleague:

Over the course of its 100-year history, Mayo Clinic’s reputation is recognized and respected worldwide for providing first class medical, surgical and administrative training.

Mayo Clinic College of Medicine’s Mayo School of Continuing Medical Education (MSCME) offers a comprehensive selection of clinical, surgical and research courses, as well as programs on practice management and leadership, managed care, and spirituality in medicine.

Each course is uniquely designed to assist you in the ongoing challenge of rapid understanding and integrating the latest medical knowledge and advanced treatments into your practice.

By offering you high-quality courses, Mayo School of CME strives to support the continuing educational goals of all health care professionals, while serving the needs of patients through the advancement of medicine.

MSCME conducts more than 100 courses throughout the year on Mayo Clinic’s three campuses in Jacksonville, Florida; Rochester, Minnesota; and Scottsdale, Arizona, as well as many other destinations throughout the country. For your convenience, please visit our web site www.mayo.edu/cme for a complete list of CME programs.

Mayo School of CME looks forward to teaming with you as you meet your educational goals for 2007 and beyond.

James M. Swain, MD
Associate Dean
Mayo School of Continuing Medical Education
