COURSE HIGHLIGHTS

The 2007 Multidisciplinary Update in Pulmonary and Critical Care Medicine course brings together a multidisciplinary faculty from Mayo Clinic in Jacksonville, FL, Rochester, MN, and Scottsdale, AZ to provide a state-of-the-art update in pulmonary and critical care medicine. The course is designed for pulmonary physicians, internists, hospitalists, and specialists in critical care medicine. Lectures given by leaders in pulmonary and critical care medicine, pulmonary pathology, and radiology provide a comprehensive approach to the current evaluation and management of various respiratory diseases. The course will emphasize new and pertinent information regarding developments in respiratory and critical care medicine.

- Lectures
- Q&A Sessions
- Case Studies

MEETING LOCATION

The Scottsdale Marriott at McDowell Mountains is located at 16770 North Perimeter Drive, Scottsdale, Arizona. Set amid the calming beauty of the desert and a serene blend of Southwestern culture, the Scottsdale Marriott at McDowell Mountains is a magnificent retreat that combines a spectacular resort setting with the convenience and amenities of an all-suite luxury hotel. The two-room suites are spacious and inviting, offering a separate living area complete with wet bar; refrigerator; two televisions; three telephones with dual voice lines; and a high-speed T1 Internet connection. And when you're ready for a good workout, the state-of-the-art fitness center, complete with whirlpool and sauna, is fully equipped with aerobic and weight machines to accommodate different fitness levels.

If it's breathtaking views you're after, you won't have to venture too far ... the resort offers spectacular views of Camelback, Squaw Peak and the McDowell Mountains right outside the front door. Plus, the Marriott at McDowell Mountains is ideally located amid some of the finest restaurants and upscale shopping in the North Scottsdale/Carefree area.
