Orientation at Mayo Clinic in Rochester, Minn.

First Street Employee Ramp to the Siebens Building

Street-level directions

1. After parking, walk out of the southwest corner of the ramp onto First Street NW.
2. Turn left (east) onto First Street NW. Walk one and a half blocks to Third Avenue NW.
3. Turn right (south) onto Third Avenue NW. Walk one block to West Center Street.
4. Turn left (east) onto West Center Street. Walk one block to Second Avenue SW.
5. Turn right (south) onto Second Avenue SW. Walk one block to Annenberg Plaza.
6. Enter the Siebens Building, which is on your left. The orientation site is just inside the doors.

Subway-level directions (in case of inclement weather)

1. After parking, proceed to the Subway Level of the First Street Ramp. Follow the directional signs on the walls.
2. The first three signs have arrows that point to all Mayo Clinic buildings.
3. The next two signs have arrows that point to all Rochester Methodist Hospital and Mayo Clinic buildings.
4. You will see a sign at a T-style intersection in the Charlton Building that will have a right-pointing arrow to the Gonda Building, Mayo Building, Rochester Methodist Hospital, Charlton Building, Charlton North Building, Colonial Building and Eisenberg Building. Turn right and proceed down the hall.
5. As you walk down the hall, you'll see an overhead sign pointing to the Charlton Building and then an overhead sign that points to Mayo Clinic buildings.
6. Just past this sign, you'll see the Barbara Woodward Lips Atrium. There's an information desk at the entrance to the atrium, but it's not staffed until 7 a.m.
7. Proceed straight across the atrium and you'll see overhead signs that read "To Mayo Clinic Building" and then "To Gonda Building."
8. Keep walking straight ahead until you reach the Gonda Building atrium. There's an information desk on your left that's staffed beginning at 6:30 a.m.
9. Proceed to the far left-hand (southeast) corner of the atrium. You'll see an overhead sign for the Siebens Building.
10. Enter the Siebens Building hallway on your left. Just past the patient and visitor cafeteria, you'll see the orientation area and staff.
