CONFERENCE DESCRIPTION

The 24th annual Mayo Clinic Nicotine Dependence Conference will utilize a case base approach to explore the full range of patient characteristics and needs in the context of treatment for tobacco dependence. Up-to-date research on behavioral science, wellness, disparities, pharmacotherapy, co-occurring addictions and mental illness and health care system integration will be presented in the context of delivering individualized care to specific patients. Interactive content and case examples will help translate the content into practical clinical applications. Additional information can be found on the course website: https://tobaccotreatmentsummit.mayo.edu/

LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:
- Differentiate individual treatment needs based upon patient characteristics
- Compare models for tobacco treatment integration with workflow at the learners site
- Prescribe or recommend pharmacotherapy based upon specific patient characteristics and up-to-date research
- Demonstrate methods for engaging diverse patients in treatment planning

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE

This program is designed for physicians and other healthcare professionals experienced in working with tobacco dependent patients, and who are interested in incorporating more effective treatment into their practice and/or developing more comprehensive services to meet the needs of highly tobacco dependent patients. Physicians, tobacco treatment specialists, nurse practitioners, physician assistants, dentists, pharmacists, psychologists, chemical dependency counselors, respiratory therapists, nurses, dental hygienists, wellness coaches, social workers and other allied health professionals may find the conference beneficial in working with this challenging population of patients.

CREDIT

Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this live activity for a maximum of 15 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
DATE AND LOCATION
The 24th Annual Nicotine Dependence Conference will be held May 22-23, 2017.
