April 6 - July 1, 2018
The Mayo Clinic Wellness Coach Training is accredited by the National Consortium for the Credentialing of Health and Wellness Coaches (ncchwc.org) comprised of a balance of online learning, live webinars and an onsite workshop. The training prepares students to walk as wellness coaches within multiple settings.

Customized Workshops
Workshops held in your community custom designed to meet your specific needs. Motivational Interviewing, Treating Tobacco Dependence and Wellness Coaching are some of our offerings.

DVD – Smokeless Tobacco Self Study
A comprehensive review designed for healthcare professionals for the treatment of smokeless tobacco use and dependence on DVD.

Patient Intervention Materials
Specific to cigarette or smokeless tobacco use and based on Motivational Interviewing, the materials are designed to be an interactive, patient-centered, comprehensive approach to the care of the patient. Patient booklets, medication guides, laminated graphics, and facilitator guides are available in English, Spanish and Arabic.

Connecting with Patients for Tobacco Free Living
An opportunity for Certified Tobacco Specialists and other health care practitioners who are interested in education sessions at a distance.
