Endoscopy Live - 2009
October 8 - 10, 2009
Kinne Auditorium
Mayo Clinic, Jacksonville, Florida

Why you should attend:
• Hear from international and national experts on the future of non-invasive diagnostics
• Five hours of live endoscopies
• Practice new techniques in the hands-on lab and simulation center
• Debate practical, daily challenges facing the endoscopist
• Interact with faculty in small group Meet-the-Professor sessions and social events
