President's Letter

Season's Greetings!

The Reunion for the Classes ending in 2 and 7 is now only in the Memories of those that attended and from what I have heard all had a good time. That was able to happen because of the great Class Reps and what they did to make it a success and also for all the hard work done by the Board.

The Reunion for the Classes ending in 3 and 8 is in the planning stages already, as the Class Reps are in place and I am confident that it will be a great Reunion in September of 2008 too.

Another Landmark in our days of being a Student at Kahler and Methodist-Kahler came down this month as the College apartments were razed to make a parking lot. Those of us who lived at Palmer, Richards or Edith Mayo Halls can recall it, as it was on the corner of 4th Street and 5th Avenue SW and in its day it was grand! I remember when I was doing home care nursing in the 90's and having clients there. I could see the grandeur that was once there, but it was starting to deteriorate then. Only a memory now. Perhaps some of you would like to share stories about it, or Maxwell Hall or Edith Mayo Hall.

Have a great Christmas and New Years! Harriet G. Rudd '57 President!-507-288-7175 rudd7175@msn.com

To the class of 1953

It's our year to shine again. Plan now to attend our 55th reunion next September. It would be great to have as many of the remaining graduates of that class get together for a great time of reminiscing and reliving those years in the early 50's. The Alumni Board has a great program planned and if you would like, we could plan some extra activities just for our class. We have time to plan and if you would contact us, we would love to Organize something

We will have more information in the next issues of the Drawsheet.

Class Reps Kahler School of Nursing 1953

1958 Florine Baumgard Murray

Class of "1958"

If you have never been to our class reunion before, really make an all out effort to attend our "50th". Reserve September 19-20, 2008, for that all important weekend.

Going through our list of classmates, we have six who have unknown addresses. Maybe you can help me track them down. These are: Carol Anderson Bryant (where are you my dear chemistry lab partner?), Patricia Bauch Jones, Norma Dalzell Gordon, Shirley Hagen Rierson, Lois Mock Tervo, and Ruth Rosenow. There are seven alumni who have completed their life's journey: Doris Buckholz O'Connell, Charlotte Blake Peck, Cynthia Boman Wold, John Dutton, Donna Hendren Jesser, Janet Wolleat Reutter, and Dorothy Tongen Karpel.

Our "2008" reunion will be held in Heritage Hall at the Kahler Grand Hotel on September 19th and 20th. We get reacquainted at the Rochester Methodist Hospital for a social on Friday evening. The brunch, picture taking, and banquet follow on Saturday. We also have a super great surprise in store for you on Saturday. Our classmates are scattered out among sixteen different states, even including South America.

Come for a great weekend to become reacquainted and reminisce. Methodist-Kahler

School of Nursing had a great influence on all of our lives. We went from nervous, anxious, naïve freshman, to confident compassionate caregivers responsible for patients lives.

Please join us on September 19th and 20th, 2008.

OUR SCHOOL OF NURSING RECOGNIZED BY The MINNESOTA HISTORICAL SOCIETY

Minnesota will be celebrating its 150th Anniversary of statehood in 2008. To mark this Milestone, the Minnesota Historical Society received 2700 nominations for exhibits and 150 were chosen. Mayo Clinic was one chosen and the Methodist-Kahler Alumni will be recognized in their exhibit, as we loaned a Mayo Stand from our Historic Preservation collection. A caption designates it from our collection.

COLLEGE APARTMENTS: A MEMORY!!

Recently the College Apartments were razed. Did you know they were built in 1916 as temporary housing for new consultants and their families as they sought permanent homes in Rochester?

The name: College Apartments was chosen because at that time 4th Street SW was known as College Street. It was so named because plans were being made to build a college on the site we now know as Saint Marys Park.

HISTORY CENTER OF OLMSTED COUNTY TO RECOGNIZES KAHLER and METHODIST – KAHLER SCHOOL OF NURSING.

Images of the Kahler and Methodist-Kahler School of Nursing Headquarters, Dormitories and the Rochester hospitals will soon be on display in Crawford Room (the Board Room) of the History Center.
