MAYO CLINIC HEALTH SYSTEM
The Mayo Clinic Health System is a network of clinics, hospitals and healthcare facilities that coordinates care and medical expertise with Mayo Clinic.

Visit mayoclinic.org/medicalprofs for more information | The medical professionals page offers physician-specific information including open clinical trials, upcoming CME's, and e-newsletters covering the latest in diagnosis and treatments
PATIENT CARE

> Acute care, inpatient and outpatient rehabilitation and lifelong care

> Comprehensive, multidisciplinary and integral to all types of patient care, from assistive technologies to rehabilitation support after illness or surgery to skills enhancement for athletes and everything in between

> Adult and pediatric programs

> National Institute on Disability and Rehabilitation Research (NIDRR) Traumatic Brain Injury Model System Center

> 10 Commission of Accreditation of Rehabilitation Facilities (CARF) programs

> More than 70 physiatrists as well as hundreds of therapists, nurses, technicians who provide care across all Mayo Clinic locations:
  - Rochester, Minnesota
  - Jacksonville, Florida
  - Phoenix and Scottsdale, Arizona
  - Mayo Clinic Health System, which serves more than 70 communities in Iowa, Georgia, Minnesota and Wisconsin

MAYO REHABILITATION MEDICINE RESEARCH CENTER

> Research focuses on medical, musculoskeletal and neurological rehabilitation in:
  - Assistive and restorative technology
  - Functional outcomes
  - Regenerative medicine and rehabilitation

> Other research areas of expertise:
  - Cardiac cardiomyocyte regeneration and cardiac rehabilitation
  - Healthy aging and frailty
  - Musculoskeletal ultrasound and regenerative procedures (platelet-rich plasma, stem cells)
  - Rehabilitation in cancer patients
  - Spinal cord injury rehabilitation, including spinal cord stimulation to restore function in patients with spinal cord injuries
  - Traumatic brain injury (TBI) prevention — Mayo Clinic is a TBI Model System Center

EDUCATION

> Mayo School of Graduate Medical Education
  - PM&R Residency Program
  - PM&R fellowships in Pediatrics and Sports Medicine
  - Mayo Medical School offers elective PM&R rotations

> Mayo School of Continuous Professional Development
  - PM&R offers CME courses for physicians and other medical professionals around the country and throughout the year.

> Mayo School of Health Sciences
  - Physical Therapy Program
  - Physical Therapy Orthopedic Residency
