We are pleased to sponsor this workshop to welcome and introduce spouses/significant others of residents and fellows to the Rochester community and provide resources that you may find valuable as you transition to living in a new community. The workshop will provide you with an opportunity to meet others new to the Rochester area, gather information about the community, and discover activities and opportunities. [Rochester Greeters](#), a welcome service organization, will be present to help introduce Rochester and provide some good to know information. Members from the [Mayo Families Connection](#) (MFC), an organization made up of spouses/significant others of current Mayo trainees, will share their transition experiences and how they adjusted to Rochester. They will also explain the function of MFC. For those of you interested in employment opportunities, we will share resources that are available at Mayo Clinic and within the community. The workshop is in a casual setting and provides an opportunity for networking.

The workshop will be offered twice, **Thursday, June 28, 2018** from 9:30 a.m. – 12:30 p.m. and **Tuesday, July 17, 2018** from 9:30 a.m. – 12:30 p.m. on the downtown Mayo Clinic campus in the Siebens Building.

For additional questions or to register, please contact Michelle Pederson at 507/538-3432 or pederson.michelle@mayo.edu: Registration deadline is **Friday, June 15, 2018**. For registration please submit the following information: **Name, E-mail Address, Workshop preference (June 28 or July 17), Name & Program of MCSGME trainee.**
