Fourth Biennial Symposium
Pulmonary Pathology Society

June 15-17, 2005
L’Imperial Palace
Annecy, France

Presented by:
• Pulmonary Pathology Society
• Mayo Medical Laboratories
COURSE DESCRIPTION

This international meeting is designed to present a comprehensive review of timely issues and difficult areas in diagnostic pulmonary pathology, focusing on recent advances in the field. A faculty of top experts in pulmonary pathology from around the world will give presentations and discuss some of the major problem conditions in pulmonary pathology including lung cancer, non-neoplastic interstitial lung disease, and infection.

COURSE LEARNING OBJECTIVES

Upon completion of this program, participants should be able to:

• Define recent advancements in the molecular pathogenesis of lung cancer
• Describe the spectrum of changes associated with inflammatory bowel disease-related lung pathology
• Demonstrate and understand the clinical significance of airway-centered fibrosis
• Interpret the pulmonary vascular changes associated with interstitial lung disease
• Review the significance of atypical epithelial proliferations to the development of bronchogenic carcinoma
• Recognize rare lung disorders and unusual manifestations of common lung diseases

Attendance at this course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE

This program is intended for pulmonary pathologists, diagnostic surgical/autopsy pathologists, residents, and fellows.

CREDIT

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Mayo Foundation and the Pulmonary Pathology Society. Mayo Foundation is accredited by the ACCME to provide continuing medical education for physicians.

Mayo Foundation designates this educational activity for a maximum of 16.25 category 1 credits toward the American Medical Association (AMA) Physician’s Recognition Award (PRA). Each physician should claim only those credits he/she actually spent in the activity.

The American Medical Association has determined that non-US-licensed physicians who participate in this Continuing Medical Education activity are eligible for AMA PRA category 1 credit.

DATE AND LOCATION

The Fourth Biennial Pulmonary Pathology Society Symposium will be held June 15-17, 2005. Course headquarters will be located at the L’Imperial Palace, Annecy, France.
REGISTRATION
To register, complete the attached registration form and return by mail or fax. The $595US registration fee includes tuition, comprehensive course syllabus, continental breakfasts, break refreshments, and the conference dinner Wednesday evening. Although it is not Mayo Medical Laboratories policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is strongly advised. A letter of confirmation will be sent upon receipt of payment and completed registration form. Please do not confirm travel arrangements until you have received the course confirmation letter. Please present the confirmation letter when checking in at the meeting registration desk. Accompanying person charge of $100US includes breakfast on Wednesday, Thursday, Friday, and the conference dinner on Wednesday evening.

CANCELLATION POLICY
Your registration fee, less a $75 administrative fee, will be refunded when written notification is received by Mayo Medical Laboratories Education Department on or before May 31, 2005, (fax#: 507-284-4542). No refunds will be made after May 31, 2005.

TRAVEL
Annecy lies in an exceptional setting at the crossroads of Europe, 25 miles from Geneva International Airport, with its own high-speed train station and immediate access to a close-knit motorway network. Flights are available to Geneva on British Airways, Delta, KLM, Northwest, Swissair, United Airlines, Lufthansa, Sabena, and SAS.

For travel arrangements, you may contact Carrousell Travel, Minneapolis, Minnesota. Carrousell Travel is offering the lowest published rate booked at least 30 days prior to arrival. Please contact Donelle Block at 800-800-6508 or 612-866-2503 or via the Internet at donelle@carrouselltravel.com.

LODGING ACCOMMODATIONS
L’Imperial Palace is a four star property located in the heart of the sunny French Alps in Annecy, France. A short distance from Italy & Switzerland, this exceptional property offers well being and relaxation. From its peninsula location, astonishing views of Lake Annecy, the purest lake in Europe, and the French Alps are enjoyable. All rooms and suites are air conditioned. The hotel has its own cardio-training equipment, sauna, and spa. Annecy itself is a historical town with cultural variety and a wide range of activities including golf, tennis, horseback riding, wind surfing, water skiing, rock climbing, and hang gliding.

L’Imperial Palace has extended a special group rate to course participants and families. Upon registration for the conference, you will receive a confirmation letter which will include the hotel reservation form. This form must be completed and returned directly to France Connection. To ensure accommodations and the discounted rate, please make your reservations by Friday, April 15, 2005. Room rates below are quoted in Euro. The following room options are available:

- Double room for single use: 200 per room per night
- Double/twin room: 215 per room per night
CONFERENCE SCHEDULE

Fourth Biennial Symposium
Pulmonary Pathology Society

June 15-17, 2005

WEDNESDAY, JUNE 15, 2005

7:00 AM  Registration and Continental Breakfast
8:00 AM  Welcome, Introductions, Announcements – Henry Tazelaar
8:15 AM  How to Enjoy Annecy – Elisabeth Brambilla

Morning Session Chairs: Philip Cagle and Victor Roggli

Neoplastic Lung Disease I

8:30 AM  Keynote Address: Overview of Molecular Pathogenesis of Lung Cancer
  – Elisabeth Brambilla
9:00 AM  Telomerase Activity in Lung Preneoplasia and Neoplasia – Sylvie Lantuejoul
9:15 AM  Retinoic Acid Receptors Expression and Regulation in Lung Preneoplasia
  – Jean-Michel Vignaud
9:30 AM  Mucinous (Colloid) Type Adenocarcinoma Phenotype Mimicking Colon
  Carcinoma (MUC2, CDX2) – Giulio Rossi
9:45 AM  Questions and Discussion

10:00 AM  Break

Morning Session Chairs: Edwina Duhig and Richard Sobonya

10:30 AM  Keynote Address: Emerging Pulmonary Infections – Sherif Zaki
11:00 AM  Neoplastic Abstract Presentations
12:00 PM  Lunch (on your own)

Afternoon Session Chairs: Hiroshi Minato and Paul Ohori

1:30 PM  Keynote Address: Familial Idiopathic Pulmonary Fibrosis – Kevin Leslie
2:00 PM  Airway Centered Fibrosis-Bronchiolitis-Interstitial Pneumonia – Sam Yousem
2:15 PM  Interstitial Lung Disease with Pulmonary Vascular Pathology – Frédérique Capron
2:30 PM  Non-Neoplastic Abstract Presentations
3:00 PM  Break
3:30 PM  Case Presentations
5:00 PM  Adjourn
6:00 PM  Conference Dinner (see conference registration form)

CONFERENCE DINNER — WEDNESDAY, JUNE 15, 2005

Attendees and their guest(s) are cordially invited to join the course faculty for the
dinner on June 15, 2005. This dinner welcomes you to Annecy, officially opens the
course, and offers you the perfect opportunity to make connections with existing and
new colleagues. Preregistration is requested. Course attendees’ dinner is included in
the course registration fee. Guests must pay the accompanying person fee. Please see
the conference registration form.
THURSDAY, JUNE 16, 2005

7:00 AM  Continental Breakfast

Morning Session Chairs:  Andras Khoor and William Travis

Neoplastic Lung Disease II

8:00 AM  Keynote Address:  Biomarkers in Lung Cancer – Wilbur Franklin
8:30 AM  Alterations of Adherence Molecules in the Spectrum of Atypical Alveolar
          Hyperplasia to Adenocarcinoma – Keith Kerr
8:45 AM  Neoplastic Abstract Presentations

Morning Session Chairs:  David Dail and Marie-Christine Aubry

9:30 AM  Keynote Address:  Forensic Issues in Pulmonary Pathology – Michael Graham
10:00 AM  Break

Non-Neoplastic Lung Disease II

10:30 AM  Keynote Address:  Clinicopathologic Features of Pulmonary Involvement in
           Inflammatory Bowel Disease – Phillippe Camus and Thomas Colby
11:00 AM  Non-Neoplastic Abstract presentations
12:00 PM  Lunch (on your own)

Thursday Afternoon Social Programs (see brochure registration form)

FRIDAY, JUNE 17, 2005

7:00 AM  Continental Breakfast

Morning Chairs:  Philip Hasleton and Michael Koss

Non-Neoplastic Lung Disease II

8:00 AM  Keynote Address:  Pitfalls & Pearls in Pulmonary Lymphoproliferative Disorders
          – Andrew Nicholson
8:30 AM  Keynote Address:  Infections in Transplantation Pathology – Susan Stewart
9:00 AM  Infectious Abstract Presentations
10:00 AM  Break

Morning Chairs:  Francoise Galateau-Salle and Sang-Ho Cho

10:30 AM  Keynote Address:  Handling and Diagnosing Problematic Pneumoconioses
           – Richard Attanoos
11:00 AM  Miscellaneous Abstract Presentations
12:00 PM  Lunch (on your own)

Afternoon Chairs:  Henry Tazelaar and Toshiaki Kawai

1:00 PM  Keynote Address:  Of Man, Music, and Mycobacteria – Anthony Gal
1:30 PM  Keynote Address:  Pitfalls in the Diagnosis of Thymomas – Saul Suster
2:30 PM  Miscellaneous Abstract Presentations
3:00 PM  Break
3:30 PM  Mystery Case Contest – Dani Zander and Aliya Husain
4:45 PM  Closing Comments
5:00 PM  Conference Adjournment
          Dinner (on your own)

**Faculty Disclosure**  
As a provider accredited by ACCME, Mayo Foundation must ensure balance, independence, objectivity and scientific rigor in its educational activities. All faculty participating in a Mayo Foundation activity are required to disclose commitments to and/or relationships with pharmaceutical companies, biomedical device manufacturers or distributors, or others whose products or services may be considered to be related to the subject matter of the educational activity. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these commitments and/or relationships will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.
Overview

In addition to the keynote addresses and the invited speakers, three formats for presentation will be available for attendees:
1. 15 minute abstract platform presentations
2. abstract posters
3. brief cases

Deadline for receipt of abstracts is Wednesday, December 15, 2004. Authors of abstracts may select their preferred presentation mode (posters versus platform).

Abstract Eligibility

For platform or poster presentation, original work that has or has not been presented at other meetings will be considered. Abstracts are eligible if they have been published; abstracts based upon full papers that have been published are also eligible. Abstracts will be selected for either platform or poster presentation at the Pulmonary Pathology Society Symposium based on scientific merit given time and space constraints.

Brief Case Eligibility

Brief cases will be selected based on uniqueness, education potential, and time constraints.

Deadline

Abstract submission deadline is Wednesday, December 15, 2004.

Notification of Results

All primary authors will be notified by February 15, 2005, if their submission has been selected for presentation and details regarding oral delivery and poster set-up will follow.

Printing of Abstracts

Abstracts chosen for presentation will be printed in the course syllabus.

Inquiries

For more information, contact Dr. Anthony Gal at 404-712-7320 or agal@emory.edu.

Abstract Format Instructions:

To submit an abstract for review, please access the following URL:
If you do not have access to the Internet, please contact Mayo Medical Laboratories Education Office at 507-266-3074 or 800-533-1710.

1) The size of the abstract must not exceed 4” x 5” and is required to be typed in English.
2) Abstracts will be printed four to a page for the course syllabus.
3) The abstract submission form will be set up with appropriate margins and font capabilities allowing one character space (two mm) between the margins and text material.
4) Use 10-point Times New Roman font.
5) Type the title of the abstract in bold, uppercase letters. Do not use abbreviations in the title.
6) Using italics, list the names of all authors (place an asterisk next to the primary author) and the institution, city, and state where the work was done.
7) Leave space (one line) after the list of authors and begin typing the main body of the abstract.
8) Indent the first line of the main body of the abstract three spaces.
9) Type single-spaced.
10) Once you have completed the on-line abstract submission form, please save the document and email as an attachment to Mayo Medical Laboratories Education Office at mcnamara.nancy@mayo.edu. The abstract will then be forwarded on to the Abstract Committee for review. You will be contacted regarding approval or denial of submission. Direct inquiries regarding your abstract can be directed to Dr. Gal at agal@emory.edu or 404-712-7320.
11) The deadline for submission of abstracts is December 15, 2004.

• Opportunities for Conference Participation by Attendees
OPTIONAL ACTIVITIES

• Tour Options — Thursday, June 16, 2005

**Tour in Lovagny and Vaulx**

Guided visit of the “Gorges du Fier” in Lovagny and guided visit of “Jardins Secrets” in Vaulx

Departure by bus for a guided visit of the “Gorges du Fier” in Lovagny. Listed as one of the most surprising curiosities of the Alps, it is a place of natural interest first opened to the public in 1869. You can see the Fier Gorges from the visitor’s walkway suspended 27 meters (90 feet) above the river. The gorge features potholes, the great divide, and the sea of rocks.

Guided visit of “Les Jardins Secrets” in Vaulx
This maze of small gardens and spaces forms an audacious puzzle of varied appearance. Each garden has its own identity and originality where one can find the 4 founding elements of the “Les Jardins Secrets.”
28 Euros per person based on 40 paying people
42 Euros per person based on 20 paying people

**Tour of Village and Castle**

Departure by bus with a guide for the Grand-Bornand village. Tour will include a guided visit of a typical farm in operation in the Grand-Bornand village with a cheese and Savoyard wine tasting.

Guided visit of the Menthon St Bernard Castle.
The stone towers of Menthon Saint Bernard’s Castle dominate Lake Annecy. In the course of centuries, this mediaeval fortress has been converted into a spectacular baronial residence and its history is of great interest. The direct descendants of this family have occupied the castle since the 11th century and continue the tradition today. The home displays many fine libraries and a collection of furniture.
28 Euros per person based on 40 paying people
42 Euros per person based on 20 paying people

**City of Annecy Tour and Boat Cruise of Lake Annecy**

This tour will include a guided walking tour of the old city of Annecy. During this walking tour, arcaded houses, narrow bridges, canals, listed monuments as the Palais de L’Isle, the Castle, churches of St François, St Maurice, the cathedral, the doors of the Middle Ages will be viewed.

Guided Boat Tour of Lake Annecy
20 Euros per person

**Mountain Biking**

Discover the picturesque areas around Annecy on a mountain bike. This splendid outing will include cycling on trails, through the forest, and some easy rambles. Tour cost includes bike rental and a professional guide.
105 Euros per person based on 40 paying people
120 Euros per person based on 15 paying people

---

**Tours include:** Guided visit with English speaking guide and transportation. Each tour will depart the L’Imperial Palace at 1:00 pm and return at 5:00 pm and require a minimum of 20 people per tour. Credit cards will be charged accordingly based upon the number of persons who register for the tours.

**Tour disclaimer:** France Connection, Mayo Clinic, and their respective parent, subsidiary and affiliated companies maintain no control over the personnel, equipment or operations of any carrier, hotel, or other entity furnishing services, products or accommodations as part of the trip, and shall not be liable for any injury, damage, loss or irregularity caused or contributed to: 1) by any act or omission on the part of these suppliers, 2) by any defect of equipment furnished by any of these suppliers, 3) by any act of omission on the part of any other person(s) or 4) by any other causes whatsoever beyond the direct control of France Connection and Mayo Clinic.
