Bleeding and Thrombosing Diseases
2006 Mayo Update

Coagulation Wet Workshop
WEDNESDAY, AUGUST 2, 2006  •  ROCHESTER, MINNESOTA
Heritage and Windsor Halls, The Kahler Grand Hotel

Coagulation Conference
THURSDAY, AUGUST 3  •  FRIDAY, AUGUST 4, 2006
Heritage Hall, The Kahler Grand Hotel
Rochester, Minnesota

Presented by:
• Mayo Clinic Division of Hematology and Internal Medicine, and the Department of Laboratory Medicine and Pathology
• Mayo Medical Laboratories, a Division within Mayo Reference Services

REGISTRATION

- Registration Form ........................................................................... 15
DESCRIPTION AND OBJECTIVES
Following orientation presentations, participants will form teams for testing and evaluation of six “unknown” plasma specimens using coagulation instrumentation, reagents, and technical specialists at each of seven workstations. Testing will include prothrombin time (PT), activated partial thromboplastin time (APTT), thrombin time (TT), dilute Russell’s viper venom time (DRVVT), mixing tests using unknown and normal plasmas, platelet neutralization procedure (PNP) and other phospholipid-inhibitor confirmatory assays. In addition, as a special feature this year, assays of von Willebrand factor (VWF:Ag and VWF:RCo) and factor VIII (F VIII) will be performed on selected specimens that reflect differing variants of von Willebrand disease (VWD). Workshop faculty will lead a discussion of results and interpretations, including comments about the clinical disorders studied and the comparability or diversity of results and interpretations obtained with different instruments or reagents. Participation is limited to 105 registrants.

Upon completion of this workshop, participants should be able to:
- Examine operation of contemporary coagulation instrumentation and reagents
- Demonstrate similarities and differences among coagulation reagents and instruments
- Assess performance characteristics of different reagents and instruments for evaluating relatively common complex coagulopathies
- Evaluate “screening tests” and “confirmatory tests” for detection, differentiation, and confirmation of differing coagulopathies
- Explore “mixing tests” for differentiating inhibitors of coagulation from coagulation factor deficiencies
- Compare VWF testing methods for diagnosis of VWD variants
- Analyze the diagnostic sensitivity and specificity of results obtained with differing reagent–instrument combinations and test procedures

INTENDED AUDIENCE
This workshop is designed for laboratory technologists, physicians, and scientists who have responsibilities for diagnostic coagulation laboratory testing.

CREDIT
Mayo Reference Services is approved as a provider of continuing education programs in the Clinical Laboratory Sciences by the ASCLS P.A.C.E.® Program. This program has been approved for 7.5 P.A.C.E. contact hours. Level of instruction for this program is intermediate.

Mayo Reference Services is approved as a Continuing Education Accrediting Agency for Clinical Laboratory Science for State of California and State of Florida credit. The level of instruction for this program is intermediate. This program has been approved for 7.75 contact hours.

Due to the nature of the workshop and the interaction from industry, Category 1 credit will not be provided for this one-day program.

EDUCATIONAL GRANTS
This course is supported, in part, by educational grants from coagulation-related diagnostics and therapeutics corporations. A complete listing of the commercial supporters
for the Wet Workshop was not available when this brochure was printed, but will be included in the Workshop Syllabus.

**DATE AND LOCATION**
The Bleeding and Thrombosing Diseases Coagulation Wet Workshop will be held Wednesday, August 2, 2006. Course headquarters will be located in Heritage and Windsor Halls on the lower level of The Kahler Grand Hotel, 20 Second Avenue SW, Rochester, Minnesota.

**REGISTRATION**
To register, complete the registration form printed on this flyer and return by mail or fax. The registration fee includes tuition, course syllabus, continental breakfast, lunch, and break refreshments, as well as the workshop reception and dinner. Registration for this workshop is limited to the first 105 people; therefore, early registration is strongly advised. A letter of confirmation will be forwarded to your e-mail address upon receipt of payment and completed registration form. Please indicate your e-mail address on the registration form. Do not confirm hotel or travel arrangements until you receive written notification. Present the letter of confirmation when checking in at the conference registration desk.

**COAGULATION WET WORKSHOP FACULTY**

**Janet B. Callahan, BS, MT (ASCP)**
- Analytical Specialist
  Coagulation Laboratory
  Duke University Medical Center
  Durham, North Carolina

**Layna K. Cardel, BS, MT (ASCP)**
- Coagulation Educational Coordinator
  Mayo Special Coagulation Laboratory

**Marlies R. Ledford-Kraemer, MBA, BS, MT (ASCP) SH**
- President
  CLOT-ED, Inc.
  Islamorada, Florida

**William L. Nichols, MD**
- Consultant, Laboratory Medicine and Hematology/Internal Medicine
  Mayo Special Coagulation Laboratories and Coagulation Clinical Centers
- Co-Director, Coagulation Education Programs
- Director, Mayo International Hemophilia Training Center (WFH)
- Associate Professor, Medicine and Laboratory Medicine
  Mayo Clinic College of Medicine
  Rochester, Minnesota

**John D. Olson, MD, PhD**
- Director of Clinical Laboratories
- Professor of Pathology and Vice Chair for Clinical Affairs
  Department of Pathology
  University of Texas Health Science Center
  San Antonio, Texas

**Rajiv K. Pruthi, MBBS**
- Consultant, Hematology/Internal Medicine and Laboratory Medicine
  Mayo Special Coagulation Laboratories and Coagulation Clinical Centers
- Co-Director, Mayo Special Coagulation DNA Diagnostic Laboratory
- Co-Director, Coagulation Clinical and Laboratory Practice
- Director, Mayo Comprehensive Hemophilia Center
- Assistant Professor, Medicine
  Mayo Clinic College of Medicine
  Rochester, Minnesota

---

**NOTE:** This program does not carry Category 1 credit. Mayo Clinic does not endorse any of the companies represented. The participating companies have not influenced the content of the CME activity. All companies have signed letters of agreement.
This 12th Mayo conference will provide reviews and updates about laboratory and clinical aspects of bleeding and thrombosing disorders. Didactic presentations will be supplemented with case presentations and panel discussions. Time will be allocated for questions. A special feature of this 2006 conference is the focus during the second day (Friday, August 4) on presentations summarizing current concepts of the pathophysiology, diagnosis, and management of von Willebrand disease (VWD).

COURSE LEARNING OBJECTIVES
Upon completion of the conference participants should be able to:
- Assess common disorders of hemostasis that lead to bleeding or thrombosis
- Explain laboratory evaluation of bleeding or thrombosing diatheses
- Summarize principles of anticoagulant therapy and monitoring
- Evaluate antibody-mediated prothrombotic disorders such as heparin-induced thrombocytopenia, thrombotic thrombocytopenic purpura, or lupus anticoagulant and antiphospholipid syndrome
- Describe key features of the pathophysiology, diagnosis, and management of von Willebrand disease

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE
This program is designed for clinicians, pathologists, scientists, and laboratory technologists whose practices include bleeding and thrombosing diseases.

CREDIT
Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this educational activity for a maximum of 13.5 hours of AMA PRA Category 1 Credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Mayo Reference Services is approved as a provider of continuing education programs in the Clinical Laboratory Sciences by the ASCLS P.A.C.E.® Program. This program has been approved for 13.5 P.A.C.E. contact hours. Level of instruction for this program is intermediate.

Mayo Reference Services is approved as a Continuing Education Accrediting Agency for Clinical Laboratory Science for State of California and State of Florida credit. The level of instruction for this program is intermediate. This program has been approved for 13.5 contact hours.

EDUCATIONAL GRANTS
This course is supported, in part, by educational grants from coagulation-related diagnostics and therapeutics corporations, in accordance with ACCME Standards.

At the time of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the time of the meeting.
**DATE AND LOCATION**
The Bleeding and Thrombosing Diseases conference will be held August 3-4, 2006 (Thursday and Friday). Course headquarters will be located in Heritage Hall on the lower level of The Kahler Grand Hotel, 20 Second Avenue SW, Rochester, Minnesota. Meeting facilities are easily accessible by skyway and pedestrian subway, which connect to shops, restaurants, and hotels.

**REGISTRATION**
To register, complete the attached registration form and return by mail or fax. The registration fee includes tuition, comprehensive course syllabus, continental breakfasts, daily lunches, break refreshments, and reception. Although it is not Mayo Medical Laboratories Education Department’s policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is strongly advised. A letter of confirmation will be forwarded to your e-mail address upon receipt of payment and completed registration form. Please indicate your e-mail address on the registration form. Kindly present the letter of confirmation when checking in at the meeting registration desk.

**CANCELLATION POLICY**
If you cancel your participation in this course, your registration fee, less a $75 administrative fee, will be refunded when written notification is received by Mayo Medical Laboratories Education Department on or before July 19, 2006 (fax 507-284-8016). No refunds will be made after July 19, 2006.

**TRAVEL**
Rochester, Minnesota, is a friendly city that greets thousands of visitors from around the world each year. The city is served by a modern international airport with multiple flights daily from Chicago and Minneapolis via American or Northwest Airlines. Access to and from the airport is provided by taxi, shuttle service, and rental car. The airport is located approximately 10 miles from The Kahler Grand Hotel.

For travel arrangements, you may contact Lori Munsen at Corporate Travel at 800-526-4540 or 507-287-7462 (direct); 507-282-9020 (fax); or e-mail: lori@ctsrst.com. Identify yourself as attending the Mayo Medical Laboratories conference.

Note to travelers: Several cities in the United States are named Rochester. When you make airline reservations and check your baggage, be sure that your destination is Rochester, Minnesota (RST), and that your baggage has been properly tagged.

Travel arrangements are the sole responsibility of the individual registrant.

**LODGING ACCOMMODATIONS**
Guest rooms have been reserved for attendees and their guests with special course rates at each of the following downtown Rochester hotels. To receive the special rate, **you must make reservations before the room block is filled or before the expiration date of July 10, 2006, whichever comes first**. Reservations will be taken following this date based on space and rate availability. Please identify yourself as a participant of the Bleeding and Thrombosing Diseases Conference when making a reservation.

**Hilton Garden Inn**
225 South Broadway
800-445-8667 or 507-285-1234
$94.00 single/double
Kahler Grand Hotel
20 Second Avenue SW
800-533-1655 or 507-282-2581
$85.00 single/double

Radisson Plaza Hotel
150 South Broadway
800-333-3333 or 507-281-8000
$101.00 single/double

Rochester Marriott Hotel
101 First Avenue SW
877-623-7775 or 507-280-6000
$119.00 single/double

The hotels listed above are connected by skyway and pedestrian subway to conference facilities, downtown shops, and restaurants. You may also wish to visit the Rochester Convention and Visitors Bureau Web site (www.rochestercvb.org) for additional accommodation options. Lodging arrangements are the sole responsibility of the individual registrant.

PARKING
Parking is available in hotel, city, and Mayo patient/visitor ramps. The cost for parking is not included in the registration fee. A map indicating the location of downtown parking facilities will be mailed with the registrant confirmation letter.

SOCIAL PROGRAMS
Public tours of Mayo Clinic are provided each day of the week beginning at 10:00 AM, except for holidays. The tours originate from Judd Auditorium, Subway Level of the Mayo Building, and last approximately 1.5 hours. The tour includes a 20-minute film on the history and operation of Mayo Clinic plus visits to points of interest in the Mayo, Plummer, Hilton, and Gonda buildings. Please make advance reservations by calling 507-538-1091.

Mall of America, the largest fully-enclosed retail and family entertainment complex in the United States, is an easy 90-minute drive or shuttle ride from Rochester. Along with 500 retail stores, restaurants, and nightclubs, the mall features The Park at MOA, the world’s largest indoor theme park, and Underwater Adventures® Aquarium, a walk through an aquarium featuring 15,000 fish. Rochester Direct shuttle service will pick up at all local hotels, and departs approximately every two hours from 8:00 AM–8:30 PM. The cost is $34 per person same day round-trip. For reservations, call Rochester Direct at 800-280-9270 or visit its Web site: www.rochesterdirect.com

COAGULATION WET WORKSHOP RECEPTION AND DINNER
Wet Workshop attendees, faculty, and vendors are invited to participate in the Workshop Reception and Dinner which will be held at the Rochester Art Center. Following dinner, the Art Center gallery will be open for viewing. Dress is business casual. Preregistration is requested.

Rochester Art Center Web site: www.rochesterartcenter.org

CONFERENCE RECEPTION AND HEMOSTASIS PRODUCT DISPLAY
Attendees are cordially invited to the Conference Reception and Hemostasis Product Display on Thursday, August 3, from 6:30–8:30 PM. This reception welcomes you to Rochester and offers you the perfect opportunity to make connections with existing and new colleagues as well as view the displays in Windsor Hall. Dress is business casual. Preregistration is requested.
COAGULATION CONFERENCE FACULTY

COURSE DIRECTOR
William L. Nichols, MD
- Consultant, Laboratory Medicine and Hematology/Internal Medicine
  Mayo Special Coagulation Laboratories and Coagulation Clinical Centers
- Co-Director, Coagulation Education Programs
- Director, Mayo International Hemophilia Training Center (WFH)
- Associate Professor, Medicine and Laboratory Medicine*

Robert D. McBane, MD
- Consultant, Cardiovascular Diseases/Internal Medicine and Coagulation
- Director, Mayo Thrombophilia Center
- Associate Professor, Medicine*

GUEST FACULTY
Barbara M. Alving, MD
- Acting Director, National Center for Research Resources
  National Institutes of Health–NCRR
  Bethesda, Maryland

Mae B. Hultin, MD
- Professor of Medicine and Pathology
  Health Sciences Center
  State University of New York
  Stony Brook, New York

Andra H. James, MD, MPH
- Director, Women’s Hemostasis & Thrombosis Clinic
- Assistant Professor, Obstetrics and Gynecology
  Duke University Medical Center
  Durham, North Carolina

Marilyn J. Manco-Johnson, MD
- Director, Mountain States Regional Hemophilia and Thrombosis Center,
  Aurora, Colorado
  University of Colorado Health Sciences Center, and The Children’s Hospital
  Denver, Colorado

COURSE CO-DIRECTORS
Rajiv K. Pruthi, MBBS
- Consultant, Hematology/Internal Medicine and Laboratory Medicine
  Mayo Special Coagulation Laboratories and Coagulation Clinical Centers
- Co-Director, Mayo Special Coagulation DNA Diagnostic Laboratory
- Co-Director, Coagulation Clinical and Laboratory Practice
- Director, Mayo Comprehensive Hemophilia Center
- Assistant Professor, Medicine*

FACULTY DISCLOSURE
As a provider accredited by ACCME, Mayo Clinic College of Medicine (Mayo School of CME) must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course director(s), planning committee, faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of this information will be published in course materials so that participants in the activity may formulate their own judgments regarding the presentation.
