CONFERENCE DESCRIPTION
The 2018 Orthopedic Nursing Conference will explore a variety of topics impacting orthopedic patients in a fast-paced, ever-changing world of healthcare. We will present a variety of topics including current orthopedic research, the role of 3-D modeling in orthopedic surgery, considerations for the care of transgender orthopedic patients, and the impact of the opioid crisis.

INTENDED AUDIENCE
This conference is designed for nurses, physical therapists, social workers, and all other healthcare professionals involved in the care of orthopedic patients.

PROVIDED BY MAYO
CONTINUING NURSING EDUCATION
MAYO CLINIC, SIEBENS BUILDING
ROCHESTER, MINNESOTA
OCTOBER 24, 2018

CONFERENCE GOALS
• Explore the impact of research and technology on the care of the orthopedic patient
• Discuss the care of a diverse orthopedic patient population
• Collaborate and network with colleagues

CONTINUING EDUCATION CREDIT
NURSING – Participants can earn up to 7.0 ANCC nursing contact hours for attendance at the conference, commensurate with the extent of their participation in the activity and completion of the evaluation.

ACCREDITATION STATEMENT
In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
