63rd International Meeting of the
MAYO CLINIC
ALUMNI ASSOCIATION

Fairmont
Scottsdale
Princess
Scottsdale, Arizona

Thursday-Saturday
October 2-4, 2003

Final Program
Inside
On behalf of the Mayo Clinic Alumni Association Board of Directors and the Staff of Mayo Clinic Scottsdale, we invite you to attend the 63rd International Alumni Meeting on October 2-4, 2003 at the Fairmont Scottsdale Princess.

We have an outstanding agenda planned over the two days, with Mrs. Lynne Cheney as our morning keynote speaker on Friday. More than 25 medical specialties have organized exceptional breakout sessions to round out the program. The meeting will end on Saturday evening with the President’s Gala – The Doctors Mayo Society dinner and dance. The inaugural presentations of the Mayo Clinic Alumni Association Professional Achievement and Humanitarian awards, in recognition of the diverse talents, contributions and accomplishments of our alumni, will take place that evening.

Information regarding the program, registration and hotel reservations for the Fairmont Scottsdale Princess is included in this booklet. Space availability is limited so early registration is important. Questions about the meeting may be directed to Betsey Smith, Alumni Relations Coordinator, at 1-507-538-1164 or smith.betsey@mayo.edu.

Plan to join your colleagues and friends for a memorable meeting.

Warm regards,

David Utz, M.D.
General Chair
63rd International Meeting

Russell Heigh, M.D.
Scientific Chair
63rd International Meeting
COURSE DESCRIPTION

The 63rd International Meeting of the Mayo Clinic Alumni Association is designed to provide participants with a current and comprehensive program on clinical, educational, and research topics through a network of Mayo Alumni.

TARGET AUDIENCE

This meeting is designed for physicians, scientists, and medical educators who have studied and/or trained at Mayo Clinic, as well as Mayo consulting staff, and have an interest in learning about leadership, economic, and professional development issues as well as receiving updates in their medical specialty area.

COURSE OBJECTIVES

Upon completion of this course, participants should be able to:

• Summarize current trends in genomics and resulting impacts on patient care management
• Identify current health trends and issues in medicine
• Describe the importance of technological advances in medicine
• Summarize current research and health issues in medical specialty areas
• Identify important administrative issues in hospital and clinic management

DISCLAIMER

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures, which may be discussed or taught in this course.

CREDIT

Mayo Foundation is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Foundation designates this educational activity for a maximum of 11.25 category 1 credit towards the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the educational activity.

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

This program has been approved by the American Osteopathic Association for 11.25 hours of 2A accreditation.

Other health care professionals will be provided a certificate of attendance for requesting credits in accordance with specialty societies or other professional associations.
FACULTY DISCLOSURE

As a provider accredited by ACCME, Mayo Foundation must ensure balance, independence, objectivity and scientific rigor in its educational activities. All faculty participating in a Mayo Foundation activity are required to disclose commitments to and/or relationships with pharmaceutical companies, biomedical device manufacturers or distributors, or others whose products or services may be considered to be related to the subject matter of the educational activity. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these commitments and/or relationships will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.

MEETING LOCATION

The 63rd International Meeting of the Mayo Clinic Alumni Association will be held Thursday-Saturday, October 2-4, 2003. Meeting headquarters will be located at the Fairmont Scottsdale Princess in Scottsdale, Arizona.

The Fairmont Scottsdale Princess rises from its setting in the Sonoran desert, framed by the McDowell Mountains. Spacious guest rooms and a host of luxurious amenities await you. Spend time at the two adjacent 18-hole golf courses, world-class tennis courts, and heated swimming pools… or relax at the Willow Stream Spa where a vast array of body therapies, massage treatments, therapeutic baths, and salon services are available. Six restaurants offer you a range of culinary delights and entertainment.

The Princess is located 25 minutes from Phoenix Sky Harbor International Airport, and close to many of the area’s attractions. Stroll through Old Town Scottsdale’s historic shopping district with galleries, boutiques, and museums; step back into the Old West at Rawhide 1880s Western Town; or experience the splendor of the Sonoran Desert on a guided tour by Jeep or Hummer. Whatever your interest, the hotel Concierge can assist you in planning your free time, call 1-480-585-4848.
REGISTRATION

Registrants must complete the registration form and return it with payment by mail or fax. The registration fee includes attendance at general and specialty sessions, final program, continental breakfasts, lunch, refreshment breaks, and designated social events. To obtain a registration form visit the Mayo Alumni Association website at http://www.mayo.edu/alumni/alumni.htm

Although it is not policy to limit the number of registrants for a meeting, conference room facilities may necessitate closing of enrollment; therefore, early registration is strongly advised.

A letter of confirmation will be sent upon receipt of payment and completed registration form.

HOTEL RESERVATIONS

Reservations are to be made directly with the Fairmont Scottsdale Princess by calling the Reservations Department at 1-800-344-4758. Identify yourself as a participant of the Mayo Clinic Alumni Association. Reservations should be made no later than September 1, 2003 to assure the special group rate of $234 single/double (plus taxes). Reservations received after September 1 are subject to space availability. Two nights’ deposit will be required at the time the reservation is made and will be applied to the first and last night of the stay. All deposits are non-refundable within 30 days of arrival. Check in time is 4:00 p.m. and check out is 12:00 noon. Resort Website: www.fairmont.com

Self-parking is available on a complimentary basis. Overnight valet parking is $18.50/day.

AIR TRANSPORTATION

Reduced airfares have been arranged with Northwest Airlines, American Airlines and America West Airlines. For assistance with flight or ground transportation arrangements, you may contact Dee Riney, Corporate Travel, at 1-480-301-9939 or dee@ctsrst.com.

TRANSPORTATION TO HOTEL

Transportation to the hotel is available via the Super Shuttle for approximately $20 one way or taxi for approximately $40 one way. Transtyle limousine may be contacted at 1-800-410-5479 to reserve a town car. Approximate costs are $60 one way for meet-and-greet at the baggage claim area or $45 one way to be met at the curb.

TOURS OF MAYO CLINIC
AND
MAYO CLINIC HOSPITAL

These tours will be offered on Thursday, October 2.

Mayo Clinic Hospital

The tours will be offered from 2:30-5:00 p.m. Mayo Clinic Hospital opened in fall of 1998.

It was designed to provide state-of-the-art inpatient medical care with maximum efficiency in a patient-and-visitor-friendly environment.

Mayo Clinic Hospital has 205 licensed beds including 169 medical/surgical beds, 20 intensive/critical care beds, 7 rehabilitation beds and 9 skilled nursing beds. The hospital provides inpatient care to support the 66 medical and surgical specialties and programs of Mayo Clinic Scottsdale. Full emergency room services and urgent care are also provided at the hospital.

Mayo Clinic

The tours will be offered from 6:30-8:00 p.m. Since opening in 1987, Mayo Clinic in Scottsdale has become a multi-campus system that includes the Samuel C. Johnson Medical Research Building, Mayo Clinic Hospital and several primary care outpatient centers. The five-story outpatient clinic contains 240 exam rooms, an outpatient surgery center equipped for general anesthesia, a full-service laboratory, a pharmacy, a patient-education library, an endoscopy suite, a 188-seat auditorium for patient- and physician-education programs and a multilevel parking garage. Since opening in June 1987, Mayo Clinic in Scottsdale has provided medical care for approximately 600,000 patients from 50 states and several countries.
