24th Annual SUCCESS with FAILURE
Strategies for the Evaluation and Treatment of Heart Failure

THE GREENBRIER
WEST SULPHUR SPRINGS, WEST VIRGINIA
AUGUST 2–4, 2019

REGISTER TODAY!
CVEDUCATION.MAYO.EDU
Success With Failure: Strategies for the Evaluation and Treatment of Heart Failure will feature up-to-date presentations on the evaluation and treatment of heart failure. New diagnostic tools, drugs, and devices will be reviewed along with their role in specific clinical situations. Integration of guidelines and clinical management will be highlighted. The program format includes interactive case based discussions, surgical and medical perspectives to ensure a lively and relevant educational opportunity for all participants.

**COURSE LEARNING OBJECTIVES**

- Identify relevant features of national heart failure guidelines
- Discuss the clinical profile of heart failure and differentiate between reduced and preserved ejection fraction patients
- Describe how to utilize medical devices and surgical therapies in the care of heart failure patients
- Characterize the timing and expected outcome for surgical interventions in heart failure patients including those with ischemic heart disease and valvular heart disease

ACCREDITATION STATEMENT

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 15.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC Points

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 15.75 ABIM MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
