Echocardiography in the Nation’s Capital

Practical review of adult echocardiography for physicians and sonographers

District of Columbia
Fairmont, Washington, D.C., Georgetown
May 2–4, 2019

CVEDUCATION.MAYO.EDU
COURSE OVERVIEW

Echocardiography in the Nation’s Capital is designed to provide a practical review of the current uses and limitations of two-dimensional echocardiography, Doppler, and color flow imaging in the assessment of adult myocardial, ischemic, pericardial, and valvular disease. Traditional topics in the field of echocardiography including assessment of systolic and diastolic function, quantitative Doppler, and stress echocardiography will be presented. In addition, newer techniques including 3D echo, interventional echo, and strain imaging will be discussed.

COURSE LEARNING OBJECTIVES

- Apply Doppler principles and hemodynamics to the assessment of valvular heart disease and the systematic assessment of prosthetic valves
- Utilize the proper technique for the assessment and clinical application of diastolic function
- Identify the two-dimensional and Doppler findings for pericardial disease
- Recognize echo features of cardiac mass and diseases of the aorta
- Identify echo characteristics of various systemic diseases
- Recognize pathology and echocardiographic findings of ischemic heart disease and mechanical complications of myocardial infarction
- Describe clinical applications of stress echocardiography
- Recognize the role of new technology in the field of echocardiography, including 3D and interventional echo and strain imaging

INTENDED AUDIENCE

This course is designed for physicians and cardiac sonographers who perform and interpret echo exams and wish to enhance their knowledge of the echocardiographic assessment of adult cardiac disease. Participants with a basic knowledge of echocardiographic techniques and applications will benefit most from this program.

COURSE DIRECTORS

Patricia A. Pellikka, M.D.
Sunil V. Mankad, M.D.

LOCATION

The course will be held at the Fairmont Washington DC, Georgetown, 2401 M Street, NW, Washington, District of Columbia, 20037.

See the website for detailed lodging information and reservation link.

REGISTRATION FEES

Save $100 if Register before April 1, 2019.

|$825 | MD, PhD, DO, PharmD
|$775  | Fellow, PA, NP, RN, Technologist, Cardiac Sonographer

Registration fee includes tuition, electronic course syllabus, continental breakfasts, break refreshments, and lunch.

ACCREDITATION

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statements

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 17 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC POINTS

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 17 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
