In collaboration with American Society of Echocardiography
COURSE DESCRIPTION

_Echo Fiesta_ is designed to provide a practical review of the current uses and limitations of 2-D echocardiography, Doppler and color flow imaging in the assessment of adult myocardial, ischemic, pericardial, and valvular heart disease. Traditional topics in the field of echocardiography including the assessment of systolic and diastolic function, quantitative Doppler, and stress echocardiography will be presented. In addition, newer techniques including 3-D echo and Doppler and 2-D strain imaging will be presented. The program will concentrate on practical points regarding daily use of these techniques with illustrative examples from a wide variety of cardiovascular disorders.

COURSE LEARNING OBJECTIVES

- Identify current two-dimensional, three-dimensional, and Doppler methods to assess left ventricular systolic function
- Develop an integrated approach to the assessment of valvular stenosis and valvular regurgitation
- Describe the diastolic filling patterns in diverse cardiac disorders including cardiomyopathies, systemic diseases, and pericardial disease
- Recognize echocardiographic findings of ischemic heart disease, including clinical applications and interpretation of stress echocardiography, detection of mechanical complications of myocardial infarction
- Define the role of echocardiography in the evaluation and management of the cardiomyopathies
- Describe echocardiography findings in congenital heart disease;
- Recognize the potential of new technology in the field of echocardiography

INTENDED AUDIENCE

This course is designed for cardiologists, cardiovascular trainees, and cardiac sonographers who perform and interpret echo exams and wish to enhance their knowledge of the echocardiographic assessment of adult cardiac disease. Participants with a basic knowledge of echocardiographic techniques and applications will benefit most from this program.

LODGING ACCOMMODATIONS

Guest rooms have been reserved for attendees and their guests with special course rates at the Hyatt Regency Hill Country. _In order to receive the special rate, reservations must be made before the room block is filled or before the expiration date of Tuesday, March 19, 2019, whichever comes first._ Reservations will be taken following this date based on space and rate availability. A special rate of $219 single/double has been negotiated for our group. Please call reservations at 888-421-1442 and identify yourself as a participant of the Mayo Clinic course when making your reservation.

**ACCREDITATION STATEMENT**

In support of improving patient care, Mayo Clinic School of Continuous Professional Development is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Statements

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 24.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 24.25 Medical Knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Participation information will be shared with ABIM through PARS.
