Advances in Diagnostic Radiology

August 19-26, 2007
Hubbard Glacier Cruise
Celebrity’s “Infinity”

Course Directors
Mark J. Kransdorf, M.D.
Terri J. Vrtiska, M.D.

Limited Registration

For best cabin selection, register by December 15, 2006
Course Description
Advances in Diagnostic Radiology is a postgraduate course designed to update the diagnostic radiologist in new trends, relevant techniques, and advanced applications in diagnostic imaging. The latest advances will be emphasized and related to common problems encountered in clinical practice. A variety of didactic lectures and accessible faculty members will enhance learning throughout the week. Each morning, interesting case of the week presentations from the Mayo Clinic files will be presented in an “unknown case” format. The participant will have these cases and answers to take with them at the end of the week. All faculty members are in practice at Mayo Clinic Rochester, Jacksonville, or Scottsdale and will draw from personal research activities as well as clinical experience at Mayo Clinic.

Course Learning Objectives
Upon conclusion of this course, the participant should be able to:

- Recognize the value of image-guided cancer therapy
- Differentiate insignificant from significant liver masses by ultrasound criteria
- Recognize the ultrasound appearances that often indicate malignancy
- Review the elements of a successful MR protocol
- Recognize common/difficult pelvic floor defects
- Review arthroscopic correlation of imaging abnormalities
- Discuss techniques for the biopsy of bone and soft tissue masses
- Recognize methods to optimize breast imaging
- Identify appropriate injection and aspiration techniques for commonly evaluated joints
- Review the indications for CT angiography in the Emergency Room
- Identify methods to optimize CT urography examinations
- Describe types of endovascular stent graft repair

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Intended Audience
Advances in Diagnostic Radiology is designed to update the diagnostic radiologist in new trends, relevant techniques, and applications in diagnostic imaging. This course might also be helpful for allied health professionals and those involved in managing radiology departments.

Educational Grants
At the time of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the time of the meeting.

Credit
Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this educational activity for a maximum of 27 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. This course content includes 3.75 hours of breast imaging credit, 6.75 hours of ultrasound credit, and 3 hours of nuclear medicine credit.
Date and Location
The Advances in Diagnostic Radiology course will be held on Celebrity’s “Infinity” ship leaving from Vancouver, British Columbia, Canada, on Sunday, August 19, 2007; returning Sunday, August 26, 2007.

The Cruise Line:
Celebrity Cruises is the world’s highest-rated premium cruise line with a taste of luxury, appealing to savvy travelers who seek the complete cruise experience. Celebrity’s Five-Star service is attentive yet unobtrusive – with one staff member for every two guests. The award-winning gourmet cuisine of world renowned Master Chef Michel Roux and the rejuvenating AquaSpa by Elemis enhance the onboard experience.

The Ship:
Unrivaled amenities, outstanding accommodations and famous personal service are among the reasons for the Infinity’s popularity. The ship received the number one ranking of the best large ships in the world in Condé Nast Traveler’s annual “Best Cruise Ships in the World” survey. Enjoy the elegant atmosphere of polished marble, etched glass and original artwork by renowned artists at every turn. Choose several options of dining: award-winning gourmet cuisine in the two-story Trellis Restaurant or the SS United States specialty restaurant (charge applies) complete with table-side preparation and presentation and dine-in wine cellar. Other options are complimentary 24-hour room service, Casual Dining Boulevard serving from 6am to 1am, Cova® Café Milano with new “Taste of Europe” savories, and the Spa Café offering a healthy dining venue.

Another key feature receiving accolades is the Sensory Heaven experience offered exclusively by Elemis indulging in a variety of luxurious spa treatments (charge applies) influenced by 10 exotic cultures. Or you may relax in the breathtaking garden of The Conservatory featuring an exclusive collection of world-renowned floral designer, Emilo Robba.

Experience onboard enrichment programs that provide insight into the culture, wildlife, and geology of each destination, including unique insights from The Nature Conservancy. Culinary classes, wine-tastings, and dance instructions add to the educational experiences onboard.

The Infinity stateroom highlights are: 20” multifunction, interactive television, direct-dial telephone and voice mail, individual safe, hair dryer, thermostat-controlled air conditioner, 100% Egyptian cotton towels, mini-bar (charge applies), and complimentary use of bathrobes.

Children’s programs with activities are scheduled daily: Shipmates (ages 3-6), Celebrity Cadets (ages 7-9), Ensigns (ages 10-12), and Admiral T’s (ages 13-17). Plus, Celebrity Science Journeys is a nature-based program designed to teach children about their surroundings in an entertaining manner. Play areas are available on the ship and are constantly supervised.

A spacious suite provides amenities including: welcome champagne, priority check-in, priority luggage service, oversized bath towels, complimentary use of bathrobes, personalized stationary, private portrait sitting and opportunity to book in-suite massages. You are also entitled to preferential seating in the main dining area and specialty restaurants.

Concierge Class provides several upscale extras to enhance your comfort, including priority check-in and luggage service. You also receive priority seating in the dining rooms. Also included are: champagne, fresh fruit and flowers upon arrival, daily hors d’oeuvres, use of bath robes, and a variety of pillow options.
The Itinerary:
The Hubbard Glacier itinerary explores the best of Alaska’s coast including steep-walled fjords, abundant wildlife and rustic ports with unique charm. The Hubbard Glacier is visited and provides guests the opportunity to view one of the largest and most active glaciers in Alaska.

Ports of Call:
Vancouver, British Columbia – A great port, cultural center and tourist area, Vancouver is the crown jewel of western Canada. The city is dotted lavishly with greenery, posed against the rugged peaks of the perpetually blue-hued Coast Range and ringed with sparkling Pacific waters. Vancouver’s character is West Coast with a liberal Oriental essence. The nuances of cosmopolitan multiple cultures are revealed through the arts in the city. Its ambience is found in green spaces and historic places; at galleries and gardens; and on beaches, bays, and gap-spanning bridges.

Inside Passage – The Inside Passage is Alaska’s legendary waterway along the coast of Canada and Alaska. It offers spectacular close up views of rain forests, steep-walled fjords, and white-capped mountains. It is home to more than 100 species of mammal.

Juneau – Juneau, Alaska’s capital city, lies along the beautiful Gastineau Channel at the foot of snowcapped Mounts Roberts and Juneau. The scenic borough of Juneau covers 3,108 square miles of towering mountains, islands, saltwater bays, forested valleys, and residential flatlands. A popular visit is to the Alaska State Museum with its unique collection of gold-rush and Russian Orthodox relics. Other optional tours include: Glacier Dogsled Adventure via Helicopter, Mendenhall Glacier Float Trip and Whale Watching and Wildlife Cruise.

Icy Strait Point – Experience the best of Southeast Alaska at Icy Strait Point, the newest cruise destination in “The Great Land”. Situated 22 miles from Glacier Bay, Icy Strait Point is rich in history and boasts the largest Tlingit native settlement in Alaska. This port of call offers an opportunity to experience the Tlingit dances and tribal stories. The area is also famous for unspoiled wilderness teeming with wildlife and an optional excursion may include a remote bush exploration and brown bear search. Or take a whale-watching cruise, visit a beautifully restored salmon cannery, or explore secluded beaches.

**Hubbard Glacier** – Hubbard Glacier is the one glacier in the world that does not move at a glacier pace. The opposite is true. It is the longest tidewater glacier in the world and has moved an average of 5.5 feet per hour! Its nickname is the “Galloping Glacier” when it advanced up to 47 feet in one day.
General Information

responsible for any operating failure, loss, damage, delay, illness, or injury which arise out of or during the meeting participant's scheduled travel. Nor is the Mayo Clinic or AAA responsible for any damages which may arise as a result of acts of God, social or labor unrest, political or national stroke, terrorist activities, mechanical failures, climatic conditions, or any other acts or omission beyond AAA's or Mayo Clinic's control.

Registration

To register for the meeting, complete the attached meeting and cruise registration forms and return by mail or fax to AAA Travel. The registration fee includes tuition and comprehensive course syllabus. Although it is not the Department of Radiology’s Continuing Medical Education policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is strongly advised. A letter of confirmation will be sent upon receipt of payment and completed registration form. Please present the confirmation letter when checking in at the meeting registration desk.

Please note – in order to register for this educational event, you must first send the meeting and cruise registration forms to AAA Travel.

Please note that registration is very limited due to space on the ship. For best cabin selection, register by December 15, 2006.

Please consult your individual tax advisor regarding the deductibility of this cruise.

Cancellation Policy

Because of advance planning requirements, our meeting registration fee, less a $75 administrative fee, will be refunded when written notification is received by the Department of Radiology Continuing Medical Education office before July 2, 2007. No refunds will be made after July 2, 2007, for any reason. No refund will be given for no-shows.

In the unlikely event the program is canceled, course registration fees will be refunded, less a $75 processing fee; however, the Mayo Clinic is not responsible for any travel or hotel costs you may incur.

Travel

Reduced airfares are available for participants by contacting the designated travel agency, burnsville.office@mn-ia.aaa.com or 800-677-2227, ext. “O.” Please identify yourself as a participant in the Mayo Clinic “Advances in Diagnostic Radiology” course. Travel arrangements are made by AAA Minnesota/Iowa Travel, 600 West Travelers Trail, Burnsville, MN 55337.

Inclusions:
- **Accommodations:** Seven night’s accommodations onboard the Infinity based on double occupancy.
- **Meals:** All meals (Five-star cuisine) while onboard the ship and 24-hour room service. The main restaurant is assigned for traditional dining. Several alternative dining choices are available. There is a $30.00 surcharge to dine at the SS United States specialty restaurant. Special afternoon teas and nighttime “Gourmet Bites” are included.
- **Entertainment** ranging from variety acts to Broadway-style productions.
- **Port Charges:** Mandatory port charges of $219.00 per person are included.
- **$100,000 Travel Accident insurance per person provided by AAA Travel.**

Not Included:
- Air transportation*; round trip transfers; gratuities; taxes; wines, liquors, soft drinks while onboard ship; optional shore excursions or optional services, trip cancellation/interruption insurance; gratuities for any liquor/soft drinks purchased onboard; and all other items not mentioned in inclusions. Pre or post cruise hotel packages are not included but may be arranged by AAA Travel.

*AAA Travel can arrange air transportation from any hometown airport. Group discounts for ten or more passengers traveling together from one city may be requested.
Individual Cruise Reservations and Payments:
A deposit of $600.00 per person will be due at the time a specific stateroom reservation is made. Final payment will be due no later than June 8, 2007. All major credit cards are accepted. Reservations can be made by calling AAA Travel at (800) 677-2227, extension “O” or (952) 707-4500, press “3.”
You may also email your request to burnsville.office@mn-ia.aaa.com. Copies of the reservation form are to be faxed to AAA Travel at (952) 707-4470.

Cruise Cancellation Fees:
The following penalties will be assessed per person for cancellation:
- From time of deposit to December 22 – No charge
- From December 23 – February 20 – $50
- From February 21 – April 21 – $100
- From April 22 – June 20 – $200
- From June 21 – July 20 – 50% of the total cruise price
- Between July 21– August 19 – No refund

Documentation:
At time of printing, valid passports are required. Non-U.S. citizens must carry a valid passport and any necessary visa. Please advise AAA Travel at the time of booking if you are not a U.S. citizen or if accompanied children are not traveling with their legal parent(s).

Transfers
Round trip transfers from the Vancouver airport to the pier are additional at $50.00 (estimated) per person and can be arranged by contacting AAA Travel.

Faculty Disclosure

As a provider accredited by ACCME, Mayo Clinic College of Medicine (Mayo School of Continuing Medical Education) must ensure balance, independence, objectivity, and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.
Course Schedule

Monday, August 20, 2007

7:00 a.m. Welcome and Introductions
7:05 a.m. Case of the Day/Discussion – CT Body
8:05 a.m. Thoracic CT Angiography in the Emergency Room
	Terri J. Vrtiska, M.D.
8:30 a.m. Questions/Answers
8:35 a.m. Upper Extremity CTA: Indications and Diagnoses
	Terri J. Vrtiska, M.D.
9:00 a.m. Questions/Answers
9:05 a.m. PET Imaging Update
	Jeffrey J. Peterson, M.D.
9:30 a.m. Questions/Answers
9:35 a.m. PET Imaging: MSK Applications
	Jeffrey J. Peterson, M.D.
10:00 a.m. Questions/Answers
10:05 a.m. Refreshment Break
10:20 a.m. Breast Calcifications: A Radiologist's Dilemma
	Michelle D. McDonough, M.D.
11:10 a.m. Questions/Answers
11:20 a.m. Knee Imaging: Case Review I
	Mark J. Kransdorf, M.D.
11:45 a.m. Questions/Answers
11:50 a.m. Lunch Break
12:00 p.m. Basic Practical Principles of Body MRI
	Mellena D. Bridges, M.D.
2:25 p.m. Questions/Answers
2:30 p.m. Diffuse Liver Disease
	Mellena D. Bridges, M.D.
2:55 p.m. Questions/Answers
3:00 p.m. Visceral Ischemia
	C. Michael Johnson, III, M.D.
3:25 p.m. Questions/Answers
3:30 p.m. Multimodality Imaging of Vasculitis
	C. Michael Johnson, III, M.D.
3:55 p.m. Questions/Answers
4:00 p.m. Refreshment Break
4:15 p.m. Image-Guided Ablation of Liver, Kidney, Bone Cancer: Why It’s a Hot Topic
	J. William Charboneau, M.D.
4:40 p.m. Questions/Answers
4:45 p.m. Image-Guided Cancer Treatment: The Vision of an Emerging Field
	J. William Charboneau, M.D.
5:10 p.m. Questions/Answers
5:15 p.m. Knee Imaging: Case Review II
	Mark J. Kransdorf, M.D.
5:40 p.m. Questions/Answers
5:45 p.m. Adjourn for the Day

Tuesday, August 21, 2007

6:55 a.m. Welcome/Announcements
7:00 a.m. Case of the Day/Discussion – Ultrasound
8:00 a.m. Sonography of the Abnormal First Trimester Pregnancy
	Douglas L. Brown, M.D.
8:25 a.m. Questions/Answers
8:30 a.m. Sonographic Evaluation of Ectopic Pregnancy
	Douglas L. Brown, M.D.
8:55 a.m. Questions/Answers
9:00 a.m. Adjourn for the Day

Wednesday, August 22, 2007

6:55 a.m. Welcome/Announcements
7:00 a.m. Case of the Day
8:00 a.m. Lower Extremity CTA: Indications and Diagnosis - Terri J. Vrtiska, M.D.
8:25 a.m. Questions/Answers
8:30 a.m. Renal CT: What's New in 2007
	Terri J. Vrtiska, M.D.
8:55 a.m. Questions/Answer
9:00 a.m. Nuclear Medicine Imaging of Infection - Update I
	Jeffrey J. Peterson, M.D.
9:25 a.m. Questions/Answers
9:30 a.m. Nuclear Medicine Imaging of Infection - Update II
	Jeffrey J. Peterson, M.D.
9:55 a.m. Questions/Answers
10:00 a.m. Refreshment Break
10:15 a.m. Percutaneous Breast Biopsy (I): Stereotactic, US and MRI Guided ... How Do I Decide?
	Michelle D. McDonough, M.D.
11:05 a.m. Questions/Answers
11:15 a.m. When to Worry: MRI of Benign Liver Lesions
	Mellena D. Bridges, M.D.
11:40 a.m. Questions/Answers
11:45 a.m. Answering Clinical Questions: MRI of the Kidneys
	Mellena D. Bridges, M.D.
12:10 p.m. Questions/Answers
12:15 p.m. Adjourn for the Day

All sessions will be held on Celebrity’s “Infinity” ship in the Cinema Theater/Conference Center.
