

# Mayo Clinic Young Investigators Research Symposium

March 23-24 2018  
Mayo Clinic, Rochester, MN

**Course Goal:** To promote interdisciplinary science and encourage multidisciplinary collaboration between scientists and physicians.

**Course Objectives:** (1) Provide a forum for career and professional development for students, residents, clinical and postdoctoral fellows, and junior faculty; (2) Encourage communication between researchers in related fields; and (3) Recognize outstanding achievement.

## CALL FOR ABSTRACTS:

**Abstracts will be accepted until December 1, 2017.**

- There is a limit of one submission per first author.
- Categories: Graduate Student, Medical Student, Resident, Clinical Fellow, Postdoctoral Research Fellow, and Junior Faculty.
- Top abstract in each track - clinical, basic, and translational - will be considered for short (10 minute) platform presentations.
- Awards for "Best Poster" will be presented in each category.
- As there will be no proceedings published, participants can use their abstracts for conference/paper publication.
- Original submissions that have or have not been presented/published earlier will be considered.
- Meeting registration is required for both oral and poster presentation.
- Submit abstracts at: <https://cmt3.research.microsoft.com/YIRS2018/>
- Submission system is now open and will be available for submission/editing until December 1, 2017.

Detailed symposium information will be forthcoming.  
Questions may be directed to Mayo Clinic Alumni Center via e-mail  
at [mayoalumni@mayo.edu](mailto:mayoalumni@mayo.edu) or phone at 507-284-2317.

**Hosted by:** Mayo Fellows' Association, Mayo Research Fellows' Association, Mayo Clinic Alumni Association, Mayo Clinic School of Graduate Medical Education, Mayo Clinic Graduate School of Biomedical Science, Mayo Clinic School of Medicine, Mayo Office of Research Postdoctoral Affairs, and Mayo Center for Biomedical Discovery
