Mayo School of Continuous Professional Development

Acute Care Psychiatry Clinical Review

September 18 - 20, 2014
The Venetian | The Palazzo • Las Vegas, Nevada

AAFP - This Live activity, Acute Care Psychiatry Clinical Review, with a beginning date of 09/18/2014, has been reviewed and is acceptable for up to 20.50 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

REGISTER ONLINE NOW!  http://www.mayo.edu/cme/psych
COURSE DESCRIPTION
This fast-paced review focuses on assessment and acute treatment of psychiatric problems in all settings. The course uses brief lectures, workshops, simulated patient video case examples and extensive faculty intervention to maximize clinical practice relevance. The course is both stimulating and enjoyable. 100% of participants the past four years have rated the course as a positive learning experience. This year the course will be offering pharmacology specific continuing education.

COURSE LEARNING OBJECTIVES
Upon conclusion of this program, participants should be able to:
• Analyze and apply strategies for the treatment of unipolar depression
• Describe evidence based options for the treatment of bipolar depression
• Describe strategies for assessment and intervention in those at risk for suicide

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

CREDIT
Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this live activity for a maximum of 20.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Mayo Clinic College of Medicine anticipates offering 11 ACPE credits for this live activity.

DATE AND LOCATION
The Mayo Clinic Acute Care Psychiatry Clinical Review course will be held September 18-20, 2014. Course headquarters will be located at The Venetian | The Palazzo, 3355 S. Las Vegas Boulevard, Las Vegas, Nevada.

LODGING ACCOMMODATIONS
Guest rooms have been reserved for attendees and their guests with special course rates of $229 at The Venetian. In order to receive the special rate, reservations must be made before the room block is filled or before the expiration date of August 18, 2014, whichever comes first. Reservations will be taken following this date based on space and rate availability. Make reservations online at https://resweb.passkey.com/go/rmayc or by calling 877-385-3885. Please identify yourself as a participant of the Mayo Clinic Acute Care Psychiatry Clinical Review course when making your reservation.

Lodging arrangements are the sole responsibility of the individual registrant.

Mayo School of CPD is not responsible for expenses incurred by an individual who is not confirmed and for whom space is not available at the meeting. Costs incurred by the registrant such as airline or hotel fees or penalties are the responsibility of the registrant.

INTENDED AUDIENCE
Psychiatrists, Family Medicine Physicians, Psychologists, Nurse Practitioners, Physician Assistants and Clinical Social Workers.

REGISTRATION
To register online, visit www.mayo.edu/cme/psych. The registration fee includes tuition, comprehensive electronic course syllabus, continental breakfasts, and break refreshments. Although it is not Mayo School of Continuous Professional Development (CPD) policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is advised. A letter of confirmation will be sent upon receipt of payment and completed registration form. Please present the confirmation letter when checking in at the meeting registration desk.

AAFP
This Live activity, Acute Care Psychiatry Clinical Review, with a beginning date of 09/18/2014, has been reviewed and is acceptable for up to 20.50 Prescribed credit(s) by the American Academy of Family Physicians. Paul Croarkin, DO

10:30-11:10  Psychotherapeutic Treatment Principles for PTSD
David Rudd, PhD, ABPP

11:10-11:40  Q&A

11:40-12:00  Course Feedback and Post-test

12:00-1:15    Lunch (on your own)
Afternoon Workshops / Breakouts

For this year’s course, we have expanded our breakout sessions to the entire afternoon. Some sessions will be offered on multiple days as described below.

Thursday and Friday:  
1:15-2:45 Breakout Session 1  
2:45-3:00 Break  
3:00-4:30 Breakout Session 2

Motivational Interviewing Skill Building  (3 hours – Thursday, Friday)  
Join Dr. Kristin Vickers Douglas, a national expert and trainer in motivational interviewing, for three hours of a workshop developing practical skills in motivational interviewing.

Borderline Personality Disorder – Key Clinical Principles and Case Examples  (3 hours – Thursday, Friday)  
Dr. Brian Palmer from Mayo Clinic will provide rich case material for discussion of common problems and challenges associated with treatment of borderline personality disorder. This session will provide key constructs and skills needed to improve your management and treatment of patients with borderline personality.

Masters in Depression Treatment  (3 hours – Thursday, Friday)  
Join our world-class faculty, Dr. Mark Frye from Mayo Clinic, Dr. Michael Gitlin from UCLA, Dr. Gin Malhi from the University of Sydney, and Dr. Katherine Moore from Mayo Clinic as they go through complicated case examples in treatment of affective disorders and answer questions about your difficult cases.

Child and Adolescent Psychiatry - Challenging Cases  (3 hours – Thursday, Friday)  
Drs. Cosima Swintak and Paul Croarkin from Mayo Clinic will provide clinical pearls in the management of complex child and adolescent psychiatry patients using video case examples and will answer your questions about treatment of child and adolescent patients.

Medical Marijuana – Facts, Myths and the Unknown  (1.5 hours – Thursday, Friday)  
Join leading national authority, Dr. J. Michael Bostwick, as he describes the history and science behind marijuana use and how to approach requests for medical marijuana treatment. Dr. Bostwick will also answer your questions from your clinical practice.
Delirium, Dementia and Somatization (1.5 hours – Thursday, Friday)
Join our experts in psychosomatic medicine, Drs. James Rundell, Robert Bright, and Jennifer Kruse as they guide you through case examples for assessment and treatment in the hospital and in outpatient practice.

Collaborative Care for Depression (1.5 hours – Thursday)
Dr. James Rundell, a national expert in collaborative care models for treatment of depression, will describe key factors behind use of collaborative care treatment along with essential clinical skills required to implement.

Treatment of Eating Disorders (1.5 hours – Thursday, Friday)
Join Dr. Leslie Sim from Mayo Clinic as she uses a case example format to provide key clinical learning points for treatment of anorexia nervosa, bulimia, and other eating disorders.

Advanced Schizophrenia Treatment (1.5 hours – Thursday)
Rona Hu, M.D. from Stanford University, Timothy W. Lineberry, M.D. from Mayo Clinic, Jonathan Leung, Pharm.D., R.Ph. from Mayo Clinic will describe key psychopharmacologic principles for advanced treatment of schizophrenia and answer your questions using your case examples.

Saturday : 1:15-3:45 Breakout Session 1
3:45 Adjourn

Advanced Assessment and Treatment of Sleep Disorders (2.5 hours – Saturday)
Dr. Robert Auger, from Mayo Clinic Sleep Disorders Center, will provide a dynamic background for assessing and managing patients with sleep disorders across all practices.

Brief CBT for Suicidal Patients (2.5 hours – Saturday)
Join Dr. David Rudd, from University of Memphis, as he provides background for efficacy of Brief CBT for suicidal patients and practically applies evidence-based treatments for managing patients at risk of suicide.

Neurology Update (2.5 hours – Saturday)
Dr. Scott Eggers, from Mayo Clinic Department of Neurology, will utilize case examples to illustrate key principles for neurologic assessment, diagnosis, and treatment in patients in Family Medicine and Psychiatry practices.
